ARTICLE I

DEFINITIONS

The following capitalized words when used in this Declaration, any Supplement, or any Supplemental Declaration (unless the context shall prohibit) shall have the following meaning:

1.1 "ARCHITECTURAL CONTROL AUTHORITY" shall mean and refer to any appointees of the Developer, or boards appointed by the Developer, while the Developer retains all or part of the rights and authority for architectural control in the Community, and the Board of Directors of the Association, When Empowered or architectural control boards appointed by the Board of Directors of the Association, When Empowered.

1.2 "ARCHITECTURAL GUIDELINES" shall mean and refer to the set of policies, rules and procedures which may be promulgated and/or amended by the Developer or the Architectural Control Authority, When Empowered, from time to time, which shall act as a guide for the architectural control and review process and for the maintenance, construction or renovation of Structures within the Community. The initial Architectural Guidelines are set forth on Addendum 1 of the Declaration, attached hereto and incorporated herein by reference. Failure to publish any Architectural Guidelines shall not diminish the architectural control and review authority of the Developer or the Architectural Control Authority, When Empowered, as set forth in this Declaration.

1.3 "AREA OF EXTENDED LOT OWNER RESPONSIBILITY" shall mean and refer to that portion of the road right-of-way, whether owned by the Developer, the Association, or any applicable governmental entity, extending from the end of the road's curbing (or the end of the pavement itself, if no curbing exists) to any property line of a Lot that is contiguous to the road. Unless designated as Common Area or unless the Association has assumed maintenance responsibility for this area, each Owner shall be responsible for the maintenance and proper use of their corresponding Area of Extended Lot Owner Responsibility pursuant to the provisions of this Declaration, including without limitation obtaining appropriate Architectural Control Authority approvals, in addition to any other applicable governmental approvals, that may be required for any and all Structures and landscaping built upon or located in the Area of Extended Lot Owner Responsibility. All remedies available to the Developer and the Association, When Empowered, for the failure of an Owner to properly maintain, use, or construct or locate Structures upon a Lot shall also be available to the Developer and the Association, When Empowered, for the failure of an Owner to properly maintain, use, or construct or locate Structures upon the Area of Extended Lot Owner Responsibility, as provided for in this Declaration. Said authority of the Developer and the Association, When Empowered, to control the Areas of Extended Lot Owner Responsibility is subordinate

to the authority and approval of any property owner or applicable governmental entity possessing rights over or ownership of the Areas of Extended Lot Owner Responsibility.

- 1.4 "ASSESSMENTS" shall have the meaning specified in Article VI.
- 1.5 "ASSOCIATION" shall mean and refer to the Black River Place Homeowners Association, Inc., its successors and assigns.

Such areas are intended to be devoted to the common use and enjoyment of Members of the Association, subject to the Regulations established and amended from time to time by the Developer or the Board of Directors of the Association, When Empowered, and are not dedicated for use by the general public. NO REPRESENTATION FROM ANY PARTY OR SALES AGENT, INCLUDING THOSE OF THE DEVELOPER, OR OTHER ENTITY AS TO THE EXISTENCE OF A COMMON AREA, SIZE, SHAPE, OR COMPOSITION OF ANY COMMON AREA OR ACCESS LOCATION, OTHER THAN THOSE PROVIDED HEREIN OR PROVIDED IN WRITING BY THE DEVELOPER, SHALL BE RELIED UPON, NOR SHALL IT IN ANY WAY REQUIRE THE DEVELOPER TO COMPLY WITH THAT REPRESENTATION. The Community may not contain Common Area, and the fact that there are provisions in this Declaration referencing Common Area does not mean there is or will be Common Area in the Community.
- 1.9 "COMMUNITY" shall mean and refer to the subdivision of the Property.
- 1.10 "COMMUNITY-WIDE STANDARD" shall mean the standard of conduct, maintenance, or other activity generally prevailing in the Community. 1.16 "MASTER PLAN" shall mean and refer to the drawing, sketch, map, or Planned Unit Development plan that represents the conceptual land plan for the future development of the Community. Since the concept of the future development of the undeveloped portions of the Community, including without limitation the Lots, streets or road right-of-ways and any Common Area, are subject to continuing revision and change at the discretion of the Developer, present and future references to the "Master Plan" shall be references to the latest revision thereof. In addition, no implied reciprocal covenants or obligation to develop shall arise with respect to lands that have been retained by the Developer for future development. THE DEVELOPER SHALL NOT BE BOUND BY ANY MASTER PLAN, USE OR RESTRICTION OF USE SHOWN ON ANY MASTER PLAN, AND MAY IN ITS SOLE DISCRETION AT ANY TIME CHANGE OR REVISE SAID MASTER PLAN, DEVELOP OR NOT DEVELOP THE REMAINING UNDEVELOPED PROPERTY OR COMMON AREA OR AMENITIES SHOWN ON ANY MASTER PLAN.

1.22 "PROPERTY" shall mean and refer to all property, including but not limited to, the Lots, streets or road right-of-ways and Common Area, subjected to this Declaration, which are described in Exhibit A, together with any additional land that may be developed pursuant hereto and annexed or incorporated in the Property by amendments or supplemental Declarations.

1.23 "REGULATIONS" shall mean and refer to the guidelines, rules, policies, regulations, and procedures, including, but not limited to, the Architectural Guidelines, adopted by the

1.25 "WHEN EMPOWERED" shall mean when the Developer has transferred the right of performing some function to the Association's Board of Directors or another entity by the recordation of a document in the office of the Register of Deeds for the county in which the Property is located, or by giving written notice to the Association at the Association's address of record, or to all Owners attending a duly called meeting for that purpose. Except for the rights retained by the Developer under its Class "C" Membership, the transfer of all functions to the Association and the rights and authority of the Developer for architectural control in the Community may occur when eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale or when the Class B Membership terminates, whichever occurs first and shall automatically occur thirty (30) days after the final lot has been conveyed to an Owner other than a builder holding title for purposes of development and sale. "When Empowered" shall also mean and refer to when the Developer has delegated the right of performing some function to the Association's Board of Directors, the Association's membership, or to any other entity, which Developer may do without any recording or notice requirements.

Unless otherwise designated in a supplemental Declaration filed by the Developer for additional land annexed to the Community, all Lots shall be used for single-family residential purposes only, and no commercial, business or business activity shall be carried on or upon any Lot at any time, except with the written approval of the Developer, its designee(s), or the Association, When Empowered; provided, however, that nothing herein shall prevent the Developer, its agents, representatives, employees, or any builder of homes in the Community, approved by the Developer, from using any Lot owned by the Developer or such builder of homes for the purpose of carrying on business related to the Community or related to the improvement and sale of Lots or Dwellings in the Community; operating a construction office, business office, or model home, and displaying signs, and from using any Lot for such other facilities as in the sole opinion of the Developer may be required, convenient, or incidental to the completion, improvement, and sale of the Lots, Dwellings, or the Community; and provided, further that, to the extent allowed by applicable zoning laws,

"home occupation", as defined in the Architectural Guidelines or in the zoning ordinances of the governmental authority having jurisdiction over the Lot, may be maintained in a Dwelling located on any of the Lots as approved in writing by the Developer or the Architectural Control Authority, When Empowered and the governmental authority having jurisdiction over the Lot, so long as the "home occupation" complies with any and all conditions of such approvals.

2.2 CONSTRUCTION IN ACCORDANCE WITH PLANS. EXCEPT AS PROHIBITED BY LAW, INCLUDING WITHOUT LIMITATION 47 U.S.C. § 303 NT, AND RELATED FCC RULES, 47 CFR § 1.4000 (WHICH LIMITS, BUT DOES NOT ENTIRELY PROHIBIT, CONTROL BY THE ASSOCIATION OF THE SIZE AND LOCATION OF ANTENNAS AND SATELLITE DISHES), NO STRUCTURE SHALL BE CONSTRUCTED, ERECTED, MAINTAINED, STORED, PLACED, REPLACED, CHANGED, MODIFIED, ALTERED OR IMPROVED ON ANY LOT OR AREA OF EXTENDED LOT OWNER RESPONSIBILITY UNLESS APPROVED BY THE DEVELOPER OR ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED AND ANY OTHER APPROPRIATE OWNER OR APPLICABLE GOVERNMENTAL ENTITY AND THE USE OF APPROVED STRUCTURES SHALL COMPLY WITH THE REGULATIONS ISSUED BY THE DEVELOPER OR ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED, FROM TIME TO TIME. NO CONSTRUCTION, RECONSTRUCTION, ERECTION, REPAIR, CHANGE, MODIFICATION SHALL VARY FROM THE APPROVED PLANS. The Developer and the Architectural Control Authority, When Empowered, shall have complete discretion to approve or disapprove any Structure. The Developer and the Architectural Control Authority, When Empowered, shall have the complete discretion to withhold review of any and all plans submitted to it from an Owner who is not in good standing as a Member of the Association, including without limitation Members who owe past due Assessments on any Lot in the Community. The Developer and the Architectural Control Authority, When Empowered, may issue from time to time Architectural Guidelines and Regulations to assist it in the approving of Structures and may change such Architectural Guidelines and Regulations at any time and from time to time without notice to the Owners. (For definition of Structure, see Article I, Section 1.14) Notwithstanding anything herein to the contrary, until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, the Developer may, at its sole option, approve or disapprove any Plans approved or rejected by the Architectural Control Authority or overturn any other action of such Architectural Control Authority. Such action by the Developer shall supersede and nullify the action taken by such Architectural Control Authority.

2.3 SUBDIVISION/COMBINATION OF LOTS AND ROAD USAGE. One or more Lots or parts thereof may be subdivided or combined only if approved in writing by the Developer, and the Architectural Control Authority, When Empowered. No Lot or Common Area may be used as a road unless approved in writing by the Developer, and the Architectural Control Authority, When Empowered.

Such household pets must not constitute a nuisance as determined by the Board of Directors in its sole discretion within the Community or cause unsanitary conditions within the Community, and no animal kept outside the Dwelling shall be kept in a manner which disturbs the quiet enjoyment of the Community or any other Owner. While not in a fully confined area, all dogs shall be restrained by leashes and no dogs shall enter upon any Lot or Area of Extended Lot Owner Responsibility without the express permission of that Owner or on the Common Area without express permission of the Developer, or the Association, When Empowered. No pet which has caused any damage or injury shall be

walked in the Community, whether on a leash or otherwise. All pets shall be registered, licensed and vaccinated as required by law. The pet owner will be responsible for clean up and removal of fecal matter deposited by such pet and shall be liable for, indemnify and hold harmless any other Owner, the Developer and the Association from any loss, cost, damage or expense incurred by such Owner, the Developer or the Association as a result of any violation of this provision. (See Article X for the Association's Remedies for Violation.)

2.5 OFFENSIVE ACTIVITIES. Unless the following is amended by the Regulations established and amended by the Developer or by the Board of Directors of the Association, When Empowered, from time to time, no noxious, offensive or illegal activities as determined by the Developer or the Board of Directors, When Empowered, shall be carried on upon any Lot, Area of Extended Lot Owner Responsibility, Common Area, or street and road right-of-way, nor shall anything be done thereon which is or may become an annoyance or nuisance to any Owner in the Community. (See Article X for the Association's Remedies for Violation.)

2.6 TRAILERS. TRUCKS. BUSES. BOATS. PARKING. ETC. Unless the following is amended by the Regulations established and amended by the Developer or by the Board of Directors of the Association, When Empowered, from time to time, no passenger vehicles, buses, trailers or mobile homes, motorcycles, boats, boat trailers, all terrain vehicles, go-carts, campers, vans or vehicles on blocks, unlicensed vehicles, or like vehicles shall be kept, stored, used, or parked overnight either on any street within the Community, in the Common Area, or on any Lot or Area of Extended Lot Owner Responsibility, without the approval of the Developer or the Association, When Empowered; provided, however, that passenger vehicles may be parked in approved areas on a Lot, to include garages, paved driveways, and any other area approved by the Developer or the Board of Directors, When Empowered, or as specified in the Regulations. No unsafe parking shall be allowed on any streets in the Community. The Developer or the Association, When Empowered, may in its sole discretion determine what is unsafe and issue regulations to control on and off street parking. (See Article X for the Association's Remedies for Violation.)

2.7 SIGNS. No sign of any kind shall be erected by an Owner within the Community without the prior written consent of the Architectural Control Authority. "For Sale" and "For Rent" signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot without approval. The provisions of this Section shall not apply to any person holding a mortgage who becomes an Owner of any Lot as purchaser at a judicial or foreclosure sale conducted with respect to the first mortgage or as transferee pursuant to any proceeding in lieu thereof.

2.8 SIGHT DISTANCE AT INTERSECTIONS. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

2.9 GARBAGE CANS. WOODPILES. ETC. All rubbish, trash and garbage shall be regularly removed and shall not be allowed to accumulate. Declarant reserves the right to dump and bury rocks on property within the Community as needed for efficient construction and to allow developers and builders within the Community to bury rocks removed from a building site. Trash, garbage, debris or other waste matter of any kind may not be burned within the Community except that Developer may maintain a "burn pit" during development and construction of the Community.

2.10 EXCAVATIONS OR CHANGING ELEVATIONS. No Owner shall excavate or extract earth for any business or commercial purpose within the Property.

2.11 SEWAGE SYSTEM. Sewage disposal shall be through the public or private system or by septic tank approved by appropriate State and local agencies. If there is a public or private system serving the Community, the Owner shall be obligated to use the system unless authorized otherwise by the Developer.

2.12 WATER SYSTEM. Water shall be supplied through a public or private system or any other system or well approved by appropriate State and local agencies. If there is a public or private system serving the Community, the Owner shall be obligated to use the system unless authorized otherwise by the Developer.

2.13 UTILITY FACILITIES. The Developer reserves the right to approve the necessary construction, installation and maintenance of utility facilities and service lines for, on, over or under the Property or any portion thereof, including but not limited to telephone, cable television, electricity, gas, water and sewage systems, which may be in variance with these restrictions.

2.14 WAIVER OF SETBACKS, BUILDING LINES AND BUILDING REQUIREMENTS. The Developer, and Architectural Control Authority, When Empowered may waive violations of the setbacks and building lines shown on any plat of the Community or set out in this Declaration. Such waiver shall be in writing and recorded by the Owner in the Register of Deeds in the county where the Property is located. A document executed by the Developer or the Architectural Control Authority, When Empowered shall be, when recorded, conclusive evidence that the requirements hereof have been complied with. The Developer and Architectural Control Authority, When Empowered, may also, from time to time as they see fit, eliminate violations of setbacks and boundary lines by amending said plats. Nothing contained herein shall be deemed to allow the Developer or the Architectural Control Authority, When Empowered, to waive violations which must be waived by an appropriate governmental authority without the Owner obtaining a waiver from such authority.

2.15 EASEMENT FOR UTILITIES AND COMMON FACILITIES. The Developer reserves unto itself and its permittees a perpetual, alienable, easement and right of ingress and egress, over, upon, across and under each Lot and Area of Extended Lot Owner Responsibility, and all Common Areas, if any, as are necessary or convenient for the erection, maintenance, installation, and use of electrical systems, cable television systems, irrigation systems, landscaping, telephone wires, cables, conduits, sewers, water mains, and other suitable equipment, other Structures and buildings necessary or convenient for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public convenience or utilities including but not limited to privately owned television systems and other communications cable and equipment, and the Developer may further cut drainways for surface water when such action may appear by the Developer to be necessary in order to maintain reasonable standards of health, safety, and appearance, or to correct deviations from approved development drainage Plans, provided such easement shall not encroach on or cross under existing buildings or Dwellings on the Lot or Common Area. Unless otherwise shown on a recorded plat of the Community, the Developer further reserves an easement on behalf of itself and its permittees over six (6') feet along each side Lot line of each Lot for the purpose of construction or maintenance of utilities, as well as drainage installation or maintenance, and over the rear twelve feet (12') of each Lot line of each Lot for the purpose of construction or maintenance of utilities, as well as drainage installation or maintenance, and over the front ten feet (10') of each Lot and over such other area of each Lot and Area of Extended Lot Owner Responsibility as is shown on recorded plats of the Community for utility installations, utility rights of way and maintenance thereof, as well as drainage installations, drainage rights of ways, and maintenance thereof. These easements and rights expressly include the right to cut any trees, bushes, or shrubbery, make any grading of

soil, or to take any other similar action reasonably necessary to provide economical and safe utility or other installation and to maintain reasonable standards of health, safety and appearance. It further reserves the right to locate signs, entrances, landscaping, sprinklers and other improvements related to the Common Area or Area of Common Responsibility or common facilities of the Community including, but not limited to, entrances, wells, pumping stations, and tanks, within residential areas on any walkway or any residential Lot or Area of Extended Lot Owner Responsibility in the area designated for such use on any applicable plat of the residential subdivision, or locate same on the adjacent Lot or Area of Extended Lot Owner Responsibility with the permission of the Owner of such adjacent Lot. Such right may be exercised by the licensee of the Developer, but this reservation shall not be considered an obligation of the Developer to provide or maintain any such utility service. No Structures, including, but not limited to, walls, fences, paving or planting shall be erected upon any part of the Property which will interfere with the rights of ingress and egress provided for in this paragraph and no Owner shall take any action to prevent the Association, the Developer, or any public or private utility, or any of their agents, contractors or employees from utilizing the easements reserved herein. **THE DEVELOPER, THE ASSOCIATION, THE ARCHITECTURAL CONTROL AUTHORITY, THEIR AGENTS, EMPLOYEES AND OFFICERS SHALL NOT BEAR RESPONSIBILITY FOR THE REPAIR OR REPLACEMENT OF ANY LANDSCAPING PLANTED, SPECIAL GRADING ESTABLISHED, OR STRUCTURE CONSTRUCTED WITHIN AN EASEMENT, WHETHER PLANTED, ESTABLISHED OR CONSTRUCTED INTENTIONALLY OR INADVERTENTLY AND WHETHER APPROVED OR NOT BY THE DEVELOPER OR THE ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED.** The Developer expressly reserves the right to alter, expand or overburden any easement described in this paragraph. Such right to alter, expand or overburden shall be limited to such extent as will allow the Owner of the affected Lot and Structure to convey marketable title. The rights and easements conferred and reserved herein shall be appurtenant to any property now or hereafter owned by Developer, whether or not subject to this Declaration and shall be an easement in gross of a commercial nature for the benefit of the Developer and its permittees to serve any property whether or not subject to this Declaration.

2.16 YARD AND LANDSCAPING MAINTENANCE.

(a) In the event that the Owner of any residential Lot, improved or unimproved, fails to maintain their yard and overall landscaping of their Lot or Area of Extended Lot Owner Responsibility in a manner in keeping with the Declaration, as determined by the Developer or an Architectural Control Authority, When Empowered, from time to time as they see fit, the Developer or the Architectural Control Authority, When Empowered, may issue a compliance demand requiring the Owner of the residential Lot to bring the Lot or Area of Extended Lot Owner Responsibility into keeping with the Declaration, as determined by the Developer or the Architectural Control Authority, When Empowered. If the Owner of the residential Lot fails to comply within the time required by the notice, the Developer or the Association may enter upon the Lot or Area of Extended Lot Owner Responsibility, bring the Lot or Area of Extended Lot Owner Responsibility into keeping with the Community, as provided above, and levy against the Owner of the Lot an Assessment for Non-Compliance and such Assessment shall be a lien upon the Lot.

(b) The responsibility of an Owner of a residential Lot to properly maintain their yard and overall landscaping of their Lot and Area of Extended Lot Owner Responsibility includes, but is not limited to, the following:

(1) prevent any underbrush, weeds, or other unsightly plants to grow upon the Lot and Area of Extended Lot Owner Responsibility;

(2) provide permanent vegetation, fully and uniformly distributed over the Lot and Area of Extended Lot Owner Responsibility, including, but not limited to the minimum landscape guidelines more fully outlined on **Addendum 1** to the Declaration, which is attached hereto and incorporated herein by reference;

(3) an Owner shall not make substantial changes to the landscaping on it Lot following the initial installation unless previously approved by the Developer or the Architectural Control Authority, When Empowered, and in conformity with the then current landscape guidelines;

(4) unless approved otherwise by the Developer or the Architectural Control Authority, When Empowered, maintain and (if they are determined to be unhealthy by the Developer or the Architectural Control Authority, When Empowered) replace, any tree(s) or portions thereof and/or other vegetation upon the Lot or Area of Extended Lot Owner Responsibility or located within the road right-of-way, that (1) are specifically required to be removed or replaced by the Developer or the Architectural Control Authority, When Empowered, (2) were required by the Developer or the Architectural Control Authority, When Empowered, to have been protected during construction, or (3) were placed in this area in accordance with an approved landscape plan;

(5) provide proper grading and drainage on the Lot and Area of Extended Lot Owner Responsibility, in accordance with Article IX of this Declaration;

(6) prevent and repair any erosion on the Owner's Lot, Area of Extended Lot Owner Responsibility, any other Lot, or any street in the Community caused by surface run-off from the Owner's Lot, in accordance with Article IX of this Declaration; and

(7) providing at their own expense general maintenance, including but not limited to proper watering, insect and weed control, fertilization, pruning, regular replacement of straws and mulch, proper drainage control, etc. and other types of normal maintenance not provided by the Association, of the overall landscaping and grass for their Lot and Area of Extended Lot Owner Responsibility in compliance with the Regulations and Architectural Guidelines established by the Developer, the Board of Directors or the Architectural Control Authority, When Empowered.

(c) Any entry by the Association or the Developer or their agents, employees, officers or contractors under the terms of this Section shall not be deemed a trespass, and an easement in gross of a commercial nature is reserved to the Developer and to the Association for the purpose of entry onto any residential Lot or Area of Extended Lot Owner Responsibility for the purpose of enforcing this paragraph. This provision shall not be construed as an obligation on the part of the Developer or the Association to provide garbage or trash removal services. As provided herein, these rights may be assigned by the Developer to the Association, or other appropriate entities. The Owner shall hold harmless the Developer, its agents and employees, officers and contractors and the Board of Directors or the Architectural Control Authority, When Empowered, from any liability incurred arising out of correcting the Owner's breach of this Section.

2.17 ACCESS BY DEVELOPER OR ASSOCIATION, WHEN EMPOWERED. For the purpose of performing its function under this or any other Article of this Declaration, the Association or

the Developer, and their duly authorized agents and employees, shall have the right to enter upon any Lot or Area of Extended Lot Owner Responsibility to (a) correct any violation of this Declaration, the Architectural Guidelines or the Regulations, (b) make necessary examinations in connection therewith, (c) respond to the request or demand of a governmental body, district, agency, or authority exercising jurisdiction over a portion of the Property, or (d) in the sole discretion of the Developer or the Association, prevent an anticipated request or demand of a governmental body, district, agency, or authority exercising jurisdiction over a portion of the Property. With regard to the aforementioned Developer's right of access in the context of responding to, or preventing a request from, a governmental body, district, agency, or authority, the Developer's right of access shall remain in effect for as long as said governmental body, district, agency, or authority has enforcement power over the Developer, even after the Developer's Class "B" Membership has been converted to Class "C" Membership (see Article III herein).

2.18 EMERGENCY ACCESS. There is hereby reserved and granted to the Developer, the Association, When Empowered, their directors, officers, agents, employees, and managers and to all policemen, firemen, ambulance personnel and all similar emergency personnel an easement to enter upon the Property, any part thereof or Lot in the proper performance of their respective duties. Except in the event of emergencies, the rights under this Section shall be exercised only during reasonable daylight hours, and then, whenever practicable, only after advance notice to the Owner affected thereby. The rights granted herein to the Developer and the Association includes reasonable right of entry upon any Lot, Area of Extended Lot Owner Responsibility or Dwelling to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Community.

2.19 CONSTRUCTION EASEMENT FOR THE DEVELOPER. During the period that Developer owns any Lot primarily for the purpose of sale or owns any interest in any portion of the Property, Developer and its duly authorized representative, agents, and employees shall have a transferable right and easement on, over, through, under and across the Property for the purpose of constructing Dwellings or other Structures on the Lots and making such other improvements to the Property as are contemplated by this Declaration and to the Property as Developer, in its sole discretion, desires, and for the purposes of installing, replacing, and maintaining all Dwellings and other improvements within the Community, as well as utilities servicing the Property or any portion thereof, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Developer have the obligation to do any of the foregoing.

2.20 LEASES OF LOTS. Any lease agreement between an Owner and a tenant for the lease of such Owner's Lot or portion thereof, including any portion of the Dwelling or other Structure on the Lot, shall provide that the terms of the lease shall be subject in all respects to the provisions of the Declaration, the Articles of Incorporation and By-Laws of the Association, and any Regulations promulgated by the Association. The Owner shall incorporate in any lease of any Lot, Dwelling, or Structure a provision stating that failure to comply with the terms of such documents shall be default under the terms of the lease and that in the event of noncompliance, the Developer or the Board, When Empowered, in addition to any other remedies available to it, may evict the tenant on behalf of the Owner and specifically assess all costs associated therewith against the Owner and the Owner's property. All leases of Lots, Dwellings, or Structures shall be in writing and have a minimum term of twelve (12) months (an Owner must obtain prior written approval of the Developer or the Board of Directors, When Empowered for shorter terms) and a copy of the executed lease, upon written demand, must be provided to the Developer or the Board of Directors, When Empowered.

2.21 STREET LIGHTING CHARGE. In the event street lights are erected in the Community, each Owner shall pay a proportional share of the monthly charge for street lighting service as prescribed by the South Carolina Public Service Commission. The electric utility company shall bill each Owner for this charge as part of the monthly electric utility bill.

2.22 MINIMUM SQUARE FOOTAGE REQUIREMENT. Unless otherwise stated in a document recorded in the County Register of Deeds Office, the Developer hereby establishes the minimum square footage requirements stated in **Addendum 1** of the Declaration, for the Property and for additional phases of the Community. Developer or Architectural Control Authority, When Empowered shall have the right to approve or disapprove any multi-level plan based solely on the amount of heated square footage contained within any level or floor and/or relationship of that level's or floor's footage to the total heated footage contained within the other levels of the Structure or the Structure in its entirety.

2.23 BUILDING SETBACK REOUIREMENTS. Unless the Developer or the Architectural Control Authority, When Empowered, waives the requirement or unless a setback is shown otherwise on any plat of the Community or unless otherwise stated in a document recorded in the County Register of Deeds Office in the county where the Property is located, the exterior finished face, steps, eaves and overhangs of all Structures, including but not limited to, buildings, homes, garages, porches, sheds, greenhouses, bathhouses, terraces, patios, decks, stoops, wing-walls, swimming pools (whether above or below the ground) and storage buildings for related equipment (including but not limited to filters and water pumps) shall be placed on the Lot so as to meet the following criteria, which may differ for any additional phases of the Community

<u>Side Setback:</u>	10 feet
<u>Rear Setback:</u>	20 feet

2.24 REGULATIONS. The use of the Property shall be subject to the Regulations promulgated from time to time by the Developer, and the Association, When Empowered. The Developer and the Association, When Empowered, may from time to time adopt, amend, change, modify or eliminate any Regulations and may waive any violation of the Regulations, in their sole discretion, without notice to the Owners. The Regulations may apply to the entire Property, or to portions of the Property. Until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, the Developer may, in its sole discretion: delegate, temporarily or for the period that these rights and authority are reserved to the Developer, the rights set out herein; amend the Regulations of the Association; waive the violation of any Regulation issued by the Association; grant variances to the Regulations of the Association; veto any modification to the Regulations proposed or implemented by the Association; override any attempt by the Association to enforce or implement the Regulations; and require the Association to enforce and implement any provision of the Regulations.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

3.1 MEMBERSHIP. It is mandatory that every Person who is an Owner of any Lot shall be a Member of the Association.

3.2 VOTING RIGHTS. The Association shall have three (3) classes of voting Membership.

(a) CLASS "A". Class "A" Members shall be all Owners excepting the Developer while the Developer is a Class "B" Member. Class "A" Members shall be entitled to one (1) vote for each Lot they own. When more than one (1) Person holds such interest or interests in any Lot, the entire vote attributable to such Lot shall be exercised by one (1) individual who is duly authorized in writing by all of the Owners of that Lot. In no event shall more than one (1) vote or a partial vote be cast with respect to any such Lot. When more than one Person holds such an interest or interests in a Lot, it shall be the responsibility of those Owners to provide the Developer or the Association with written notification, with the signatures of all of those Persons owning an interest in the Lot affixed, of the name and mailing address of that Person authorized to receive notification from the Association and to cast said vote. Class "A" Membership shall be mandatory for all Owners except the Developer and may not be separated from ownership of any Lot.

(b) CLASS "B". The sole Class "B" Member shall be the Developer. The Class "B" Member shall be entitled to cast the greater of four (4) votes for each Lot for which it holds title or one more vote than the total votes of the Class "A" Members. Class "B" Membership shall end and Class "C" Membership shall automatically begin when eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, or at such time as the Developer voluntarily relinquishes its Class "B" Membership in writing to the Association. In addition to any and all rights granted to it in this Declaration, the Class "B" Member shall enjoy all of the rights granted to the Class "C" Member upon termination of the Class "B" Membership, prior to the termination of the Class "B" Membership. In addition to being a Class "C" Member, Developer shall be a Class "A" Member with respect to any Lot for which it holds title following the end of its Class "B" Membership.

(c) CLASS "C". The sole Class "C" Member shall be the Developer upon termination of its Class "B" Membership. The Class "C" Member shall have no voting rights and no assessment obligations. The Class "C" Member shall enjoy certain limited rights under this Declaration, the By-Laws, and the Regulations, including without limitation the right to: (1) obtain access to electronic and/or paper copies of Association's books and records, including financial and membership data; (2) exercise the Declaration's enforcement powers pursuant to Article X, Section 5 of this Declaration, and (3) call Special Meetings of the Association on any topic or issue it sees fit in its sole discretion, although the Class "C" Member would not be entitled to vote at said meeting. Class "C" Membership shall terminate at the voluntary discretion of the Developer, although there is no requirement that it be terminated.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON AREA

4.1 MEMBER'S EASEMENTS OF ENJOYMENT. Subject to the rights reserved by the Developer in this Declaration, including without limitation those contained in Section 4.3 of this Article IV, the right of the Association to suspend the use of the Common Area as set out in Article X, and the Regulations established and amended from time to time, every Member shall have a right and easement of enjoyment in and to the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot. (See Article X for the Association's Remedies for Violations.)

4.2 TITLE TO COMMON AREA. On or before the conveyance of the last Lot owned by the Developer, the Developer will convey to the Association, fee simple title to the Common Area, as adjusted by the Developer, or the Board of Directors, under the authority granted to the Developer herein, free and clear of all encumbrances and liens, except those created by or pursuant to this Declaration or existing of record prior to the purchase of the Property by the Developer, none of which will make the title unmarketable. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Area to be maintained by the Association for the benefit of all or part of its members. Developer shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

This section shall not be amended, as provided for in Article XII, Section 12.5, to eliminate or substantially impair the obligation for the maintenance and repair of the Common Area.

4.3 EXTENT OF MEMBER'S EASEMENTS. The rights and easements created hereby shall be subject to the following rights which are hereby reserved to the Developer or the Association's Board of Directors, When Empowered:

(a) The right of the Developer, and of the Association, When Empowered, to dedicate, transfer, or convey all or any part of the Common Area, with or without consideration, to any governmental body, district, agency, or authority, or to any utility company, and the right of the Developer and of the Association, When Empowered, to convey with consideration all or any part of the Common Area upon affirmative vote of more than fifty (50%) percent of the total votes of the Members, cast at a duly called meeting of the Members or a recorded resolution signed by the Members holding more than fifty (50%) percent of the vote of the Members.

(b) The right of the Developer, and of the Association, When Empowered, to grant and reserve easements and rights of way through, under, over, and across Common Area, for the installation, maintenance, and inspection of lines and appurtenances for public and private water, sewer, drainage, and other utility services, including a cable or community antenna television system and irrigation or lawn sprinkler systems, and the right of the Developer to grant and reserve easements and rights of way through, over, upon and across the Common Area for the operation and maintenance of the Common Area.

(c) The right of visitors, invitees, and guests to ingress and egress in and over those portions of Common Area that lie within any private roadways, parking lots and/or driveways (and over any other necessary portion of the Common Area in the case of landlocked adjacent Owners) to the nearest public highway.

(d) The right of the Association, in accordance with the law, its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Area and, in pursuance thereof, to mortgage or encumber the Common Area.

(e) Until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, by the filing of an Amendment or Addendum to this Declaration which describes the Property, the Developer shall have the sole authority to sell portions of the Common Area on behalf of the Association, to increase or decrease the size of the Common Area, to add or remove Common Area or to change the location of Common Areas, whether these tracts have been deeded to the Association or are projected to be or have been designated by the Developer as a Common Area. Thereafter this authority shall be transferred to the Association and any adjustment to the dimensions or the location of the

Common Area and any sale of Common Area by the Association shall be approved by more than 50% of the members of the Association entitled to vote.

4.4 DELEGATION OF RIGHTS OF ENJOYMENT. Any Owner may delegate, in accordance with the By-Laws of the Association, his right of enjoyment to the Common Area and facilities to his family, tenants, invitees, guests or licensees, subject to the Regulations established and amended from time to time. Any Owner shall at all times be responsible for and liable for the actions of that Owner's family, tenants, invitees, guests or licensees, employees, pets, and animals, or anyone else on the Common Area with the permission of said Owner or otherwise on the Common Area due to the actions or lack of action taken by said Owner, and shall further be responsible for the paying of any Assessments for Non-Compliance levied for their non-compliance with this Declaration, the By-Laws of the Association or the Regulations established and amended from time to time, which Assessment shall become a continuing lien on the Lot of such Owner.

4.5 ADDITIONAL STRUCTURES. Neither the Association nor any Owner shall, without the prior written approval of the Developer, so long as the Developer owns one (1) Lot permitted by the Master Plan of the Community, or without written approval of the Board of Directors, When Empowered, erect, construct, or otherwise locate any Structure or other improvement in the Common Area. The Developer, so long as the Developer owns one (1) Lot permitted by the Master Plan of the Community, reserves the right, but not the obligation, to erect, construct, or otherwise locate any additional Structure or other improvement in the Common Area.

ARTICLE V

COMPLETION, MAINTENANCE, AND OPERATION OF COMMON AREA AND FACILITIES

5.1 COMPLETION OF COMMON AREA BY THE DEVELOPER. The Developer will complete the construction of the Common Area, as adjusted, and the streets and roadways for the Community as shown on the recorded plats of the Community.

5.2 MAINTENANCE AND OPERATION OF COMMON AREA. The Association at its sole cost and expense, shall operate and maintain the Common Area and Area of Common Responsibility and provide the requisite services in connection therewith; provided, however, the Association is under no obligation to maintain those portions of the Area of Common Responsibility that are not Common Area and therefore the Association, at its sole discretion, may require the owners of such areas to provide their own maintenance rather than the Association. It shall further be the responsibility of the Association to maintain all entrances including entrance signs, roads and parking areas within the Community that are not maintained by some other entity or that are defined on an attached exhibit to this Declaration, or shown on a recorded plat, lights, sprinklers, shrubs, and to pay the cost of utility bills and other such requisite services in connection with the maintenance of the above. Unless located on a Lot or accepted by another responsible party (including without limitation public bodies, governmental bodies, districts, agencies or authorities), all roadways and parking areas within the Community, whether located on Common Area or not, shall be maintained by the Association. Until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, if the Association fails to operate, maintain or repair the Common Area to the satisfaction of the Developer or fails to employ contractors which the Developer, in its sole discretion, determines to be able to properly operate or maintain the Common Area, the Developer may, but is not required to, notify the Association to correct the maintenance problem or remove the contractor. If the Association fails to do so within the time set forth in the notice, the Developer may, but is not required to, correct said maintenance problem or remove and replace such contractor. The Association shall reimburse the Developer for any and all costs

incurred by the Developer and the cost including collection costs incurred by the Developer shall be a lien on the Common Area. This Section shall not be amended or removed without the written consent of the Developer. Any entry by the Developer under the terms of this Section shall not be deemed a trespass, and an easement in gross of a commercial nature is reserved to the Developer for the purpose of entry onto the Common Area for the purpose of enforcing this paragraph. This provision shall not be construed as an obligation on the part of the Developer to provide garbage or trash removal services. As provided herein, these rights may be assigned by the Developer. The Association shall hold harmless the Developer, its agents, officers, directors, and employees from any liability arising out of correcting the Association's breach of this Section. The maintenance, operation, and repair of the Common Area shall include, but not be limited to, repair of damage to pavements, roadways, walkways, outdoor lighting, buildings, if any, recreational equipment, if any, fences, storm drains, and sewer and water lines, connections, and appurtenances, except when such responsibilities are accepted by responsible parties, including public bodies, governmental bodies, districts, agencies or authorities and only for so long as they properly perform.

5.3 DEDICATION OF STREETS AND ROADWAYS. It is the intent of the Developer to dedicate the streets and roadways of the Community to the City of Camden, South Carolina. Until the dedication of the streets or roadways, each Owner shall have a right and easement of enjoyment in and to the streets and rights of way as shown on the Plat which shall be appurtenant to and pass with the title to every Lot. If and when any streets or roadways located within the Community are dedicated to, or otherwise accepted by, responsible parties including without limitation public bodies, governmental bodies, districts, agencies or authorities, the dedication or acceptance shall be subject to the covenants, conditions, restrictions, easements, charges and liens contained in this Declaration, as amended, whether or not it shall be so expressed in any such deed, other conveyance, or plat.

ARTICLE VI

ASSESSMENTS

6.1 PURPOSE OF ASSESSMENTS. The assessments provided for in this Declaration shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and occupants of Lots, as may be authorized from time to time by the Board.

6.2 PERSONAL OBLIGATION AND LIEN FOR ASSESSMENTS. Each and every Owner of any Lot or Lots within the Property, by acceptance of a deed to a Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be personally obligated to pay to the Association, the Assessments, and the Association's collection fees, attorneys fees and court cost incurred in collecting the Assessments, or in enforcing or attempting to enforce the Declaration, By-Laws and the Architectural Guidelines and Regulations established or amended from time to time by the Developer or the Board of Directors, When Empowered. Assessments, together with such interest thereon, and other costs of collection; including the Association collection fees, attorney fees and court costs shall be a charge on the land and shall be a continuing lien upon the Lot or Lots against which such Assessments are levied. Owners of any Lot shall share in the obligation of any other Owner of that Lot and shall be jointly and severally liable for any Assessments, the cost of collection, attorney fees and court costs that are attributable to that Lot. In the event an Owner holds title to multiple Lots in the Community, including without limitation builders, the Association's continuing lien shall be treated as one all-encompassing lien over all the Lots of that Owner for purposes of the remedies set forth in Article X of this Declaration.

6.3 CERTIFICATE OF PAYMENT. The Association shall, within ten (10) business days after receiving a written request, furnish to any Owner or attorney representing the prospective

purchaser of a Lot, a certificate in writing signed by an officer of the Association, setting forth whether said Assessments have been paid. Such certificate shall be conclusive evidence of payment of any Assessments therein stated to have been paid. At all times the Association's records with respect to payments made or due shall be deemed correct unless proper documentation to the contrary can be produced. The Board shall have the right to impose a reasonable charge for providing this certificate.

6.4 RESTRICTION ON AMENDMENT. This Article shall not be amended as provided in Article XII, Section 12.5, to eliminate or substantially impair the obligation to fix the Regular Assessments at an amount sufficient to properly operate the Association, maintain and operate the Common Area and perform the maintenance required to be performed by the Association under this Declaration without the written consent of the Developer.

6.5 TYPES OF ASSESSMENTS. There shall be five types of Assessments: (1) Regular Assessments; (2) Assessments for Non-Compliance with this Declaration, the By-Laws of the Association, and the Regulations established and amended from time to time; (3) Assessments for Capitalization as described in Section 6.8 below; (4) Assessments for Working Capital Fund as described in Section 6.9 below; and (5) Assessments for Budgetary Shortfall as described in Section 6.10 below. Such Assessments to be fixed, established, and collected from time to time as herein after provided. (See Section X for Remedies of the Association for Violation.)

6.6 REGULAR ASSESSMENTS.

(a) The Regular Assessments levied by the Association shall be used exclusively for the purposes of the general operation of the Association, reserves and the promotion of the health, safety, and welfare of the residents of the Community, and in particular for the improvement and maintenance of the Common Area and Area of Common Responsibility, including but not limited to, the payment of mortgages, taxes and insurance thereon, and repair, replacement, and additions thereof, the cost of labor, equipment, materials, management, Treasurer fees, and supervision thereof, and the cost of lawn and landscaping maintenance, and refuse collection; reserves for the replacement of the Association property and improvements to the Common Area; and all other obligations or debts incurred by the Association.

(b) The Developer or the Board of Directors of the Association, When Empowered, shall at all times fix the Regular Assessment based on the Association's budget for the period of the Regular Assessment. The amount of the Regular Assessment shall be uniform for each Lot except as set forth herein and shall be assessed against all Lots at the time of the Assessment. The Developer or Board of Directors, When Empowered, shall once each year create a budget and fix the date of commencement, the size and number of installments, the method of determining the amount of all Regular Assessments against each Owner of a Lot, and shall, at that time, prepare a roster of the Owners and the Assessments applicable thereto. The roster and the budget shall be kept in the office of the Association and shall be opened to inspection by any Owner. If the Developer or the Board of Directors, When Empowered, fails to set a Regular Assessment, then the previous Assessment or the previous installment schedule shall continue until the Regular Assessment is set. Written notice of the Regular Assessment and adjustment thereof, shall be sent to every Owner subject thereto, identifying the amount(s), due date(s), and the address to which payments are to be sent, at least thirty (30) days in advance of the due date of the first (or only) installment of each Regular Assessment. Until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, the Developer shall have the option of approval of any portion of the budget.

(c) The Developer or the Board of Directors, When Empowered, shall have the right to adjust the amount and installment schedule of the Regular Assessment without Membership approval for the purpose of meeting the budgetary obligations of the Association and in times of an unexpected cash-flow shortfall. In the event of an unbudgeted cash surplus, the Developer or the Board of Directors, When Empowered, shall have the authority to apply some or all of the surplus toward its capital improvement fund or capital reserve fund. The Developer or the Board of Directors, When Empowered, may, at its sole discretion, set estimated Regular Assessments until the Regular Assessment is set and the budget completed, or may delay the billing of Regular Assessments until the budget is complete and then bill the Owners for the Regular Assessment for the entire budget period.

(d) Regular Assessments shall start on the first day of the month following the sale of a Lot to a Person other than Developer. However, the sale of a Lot to a builder holding title for purpose of development and sale of a newly constructed home shall not cause Regular Assessments to commence. Developer may elect, in its sole discretion, to require a builder holding title for purpose of development and sale of a newly constructed home to pay one fourth (1/4) of Regular Assessments starting on the first day of the month following said election and require the builder to pay one half (1/2) of Regular Assessments upon the issuance of a Certificate of Occupancy for a completed Dwelling by the appropriate governmental authority. The first Regular Assessment shall be adjusted according to the number of months then remaining in that fiscal year. Notwithstanding anything to the contrary herein, Developer may elect, in its sole discretion, to start collecting Regular Assessments for any Lot used as a model home on the first day of the month following the issuance of a Certificate of Occupancy for the completed model home.

(e) Until eighty (80%) percent of the Dwellings permitted by the Master Plan have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale, the Developer may (but shall not be required to):

(1) advance funds to the Association sufficient to pay the deficits in the expenses and capital reserves (but not contingencies) of the Association not paid by the Regular Assessments, so long as the responsibilities of the Association within the approved budget are properly met. Any expenses of the Association paid by and any advances paid to the Association by the Developer, at the option of the Developer, shall be considered a loan to the Association, repayable under terms established by the Developer, and which are reasonably acceptable to the Board of Directors of the Association; or

(2) cause the Association to borrow such amount, or a general borrowing from a third party at the prevailing rates for such loan in the local area of the Community. Developer, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no mortgage secured by the Common Areas or any of the improvements maintained by the Association shall be given in connection with such loan.

6.7 ASSESSMENTS FOR NON-COMPLIANCE. In the event that any Owner, their guests or invitees fail to comply with any of the provisions of the Declaration, the By-Laws of the Association, the Architectural Guidelines and Regulations established and amended by the Developer or the Board of Directors, When Empowered, from time to time, relating to any portion of the Community, including without limitation violations occurring on Lots, Areas of Extended Lot Owner Responsibility,

Common Areas, and streets, the Developer and the Board of Directors, When Empowered, may issue Assessments against the responsible Lot Owner(s) in amounts as it determines in its sole discretion, which shall be an Assessment for Non-Compliance and which is a lien on the Lot or Lots of that Owner(s). The Developer shall retain the power to levy Assessments for Non-Compliance even after the Association becomes entitled to exercise such power, including after Developer's Class "B" Membership is converted to Class "C" Membership. Therefore, the rights of the Developer and of the Association under this Section are not mutually exclusive. (See Article X for Remedies of the Association.)

6.8 ASSESSMENTS FOR CAPITAL REPAIR OR IMPROVEMENTS. In addition to the Regular Assessments, the Association may levy, in any period, an Assessment (which must be fixed at a uniform rate for all Lots) for the purpose of defraying, in whole or in part, the cost of any construction or any reconstruction, unexpected repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures, equipment and personal property relating thereto, provided that such Assessment shall have the assent of more than fifty (50%) percent of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days and no more than sixty (60) days in advance of the meeting provided, however, these periods for notice may be shorter as necessary to obtain funds for emergency repairs to the Structures on the Common Area. Subject to the provisions of Section 2, the due date or due dates of any installment of any such Assessment shall be fixed in the resolution authorizing such Assessment.

6.9 ASSESSMENT FOR CAPITALIZATION. At the time of acquiring title to a Lot from the Developer or from a builder who purchased the Lot from the Developer and completed the Dwelling and Structures on the Lot, the Owner acquiring title to the Lot shall contribute Twenty Dollars (\$20.00) ("Initiation Fee") to the Association to provide for a working capital fund for the obligations of the Association. The Initiation Fee shall be in addition to, not in lieu of, any Regular Assessment. The Initiation Fee shall be payable at closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee is payable only one time, and will not be charged to subsequent purchasers of a Lot once paid.

6.10 ASSESSMENTS FOR BUDGETARY SHORTFALL. In addition to the Regular Assessment, the Developer or the Board of Directors, When Empowered, may, at its option, draw from the appropriate reserve funding or working capital funds or may levy, in any period, an Assessment (which must be fixed at a uniform rate for all Lots), to cover any unexpected shortfall in the cash flow of the Association. Said Assessment shall not require the approval of the Membership.

6.11 SUBORDINATION OF THE LIEN TO MORTGAGES. The liens provided for herein shall be subordinate to the lien of any first lien, mortgage or deed of trust recorded prior to the recording of the Notice of Delinquency by the Association or the Developer in the Office of the Register of Deeds for the County in which the Lot is located. Sale or transfer of any Lot shall not affect the liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first lien, mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of Assessments under the Notice of Delinquency when recorded prior to such mortgage as to the payment thereof which becomes due prior to such sale or transfer but shall not relieve any Owner in possession of a Lot prior to such foreclosure sale or deed of trust from any personal obligation defined herein for the payment of Assessments. No such sale or transfer shall relieve such Owner from liability for any Assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any subsequent first lien, mortgage or deed of trust, except for liens for Assessment due from subsequent Owners of the Lot if the Notice of Delinquency is recorded prior to the subsequent first lien mortgage.

6.12 EXEMPT PROPERTY. The following properties subject to this Declaration shall be exempt from the dues, Assessments, charges, and liens created herein: (a) All Common Area, as defined in Article I, Section 1 hereof and (b) streets and road rights-of-way. Notwithstanding any provision herein, no Lots shall be exempt from said liens.

ARTICLE VII

ARCHITECTURAL CONTROL

7.1 ARCHITECTURAL CONTROL AUTHORITIES. The Architectural Control Authorities when established by the Developer or the Board of Directors of the Association, When Empowered, shall be composed of at least three (3) representatives.

7.2 PROCEDURES.

(a) Any person desiring to construct, maintain, place, replace, reconstruct any Structure on any Lot, Area of Extended Lot Owner Responsibility or Common Area or to make any improvements, alteration or changes to any Structure, in addition to obtaining any and all applicable property owner or governmental approvals, shall submit Plans and any other documentation required by the Architectural Guidelines to the Developer or the appropriate Architectural Control Authority, When Empowered, which shall evaluate, approve, disapprove or refuse to approve in writing such Plans in light of the purpose of the Declaration. The Developer and the Architectural Control Authority, When Empowered, shall have the complete discretion to withhold review of any and all plans submitted to it from an Owner who is not in good standing as a Member of the Association, including without limitation Members who owe past due Assessments on any Lot in the Community. Any person using any Structure shall comply with the Regulations established and amended from time to time. An aggrieved Owner may appeal the final decision of the Architectural Control Authority to the Developer or the Board of Directors, When Empowered, through the processes required by the Architectural Control Authority or as set forth in the Architectural Guidelines or the Regulations. The failure to publish Architectural Guidelines shall not in any manner adversely affect the architectural review authority of the Developer, the Board of Directors, When Empowered, or the Architectural Control Authority, When Empowered as set forth in this Declaration, including without limitation the authority to approve any and all Structures on any and all Lots, Areas of Extended Lot Owner Responsibility or Common Areas.

(b) The Developer, or the Architectural Control Authority, When Empowered, may charge a reasonable review fee for its initial review, the amount of which shall be established by the Developer or the Architectural Control Authority in the Architectural Guidelines, from time to time. The Developer or the Architectural Control Authority, When Empowered, may at its option, employ outside professional services for initial review and may pay them accordingly for this service. The charging of fees and the hiring of professionals for this purpose by the Architectural Control Authority must be approved by the Developer or the Board of Directors of the Association, When Empowered. Subsequent reviews may require additional fees.

(c) **APPROVAL BY THE DEVELOPER, BOARD OF DIRECTORS OR THE ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED, OF ANY PLANS AND SPECIFICATIONS OR THE GRANTING OF A VARIANCE WITH RESPECT TO ANY OF THE ARCHITECTURAL GUIDELINES AND REGULATIONS,**

WHEN ESTABLISHED, SHALL NOT IN ANY WAY BE CONSTRUED TO SET A PRECEDENT FOR APPROVAL, ALTER IN ANY WAY THE PUBLISHED ARCHITECTURAL GUIDELINES, WHEN ESTABLISHED, OR BE DEEMED A WAIVER OF THE DEVELOPER'S OR OF THE ARCHITECTURAL CONTROL AUTHORITY'S, WHEN EMPOWERED, RIGHT IN ITS DISCRETION, TO DISAPPROVE SIMILAR PLANS AND SPECIFICATIONS, USE OF ANY STRUCTURE OR ANY OF THE FEATURES OR ELEMENTS WHICH ARE SUBSEQUENTLY SUBMITTED FOR USE IN CONNECTION WITH ANY OTHER LOT. Except for the right of the Developer or Board Of Directors to approve or disapprove the Plans on appeal, approval of the Plans relating to any Lot or Area of Extended Lot Owner Responsibility shall be final as to that Lot or Area of Extended Lot Owner Responsibility and such approval may not be reviewed or rescinded thereafter by the Architectural Control Authority, provided that there has been adherence to, and compliance with the Plans as approved in writing, and any conditions attached to any such approval and the Regulations.

(d) The Developer or Architectural Control Authority, When Empowered, may, at its option, require the Owner to make a deposit to insure compliance with the approval or the Regulations in an amount and upon conditions to be determined by the Developer or Architectural Control Authority, When Empowered. The setting of an amount as a compliance deposit or of conditions for compliance for any one Lot, shall not in any way act to set a precedent or effect in any way the setting of an amount or conditions of compliance for any other Lot or for any other set of Plans which are to be or have been approved within the Architectural Control Authority. The terms for waiver of any deposit and for the determination of the deposit amount, conditions of payment and the release to an Owner of any remaining portion of said compliance deposit, shall be defined in the Architectural Guidelines and Regulations. Nothing herein shall be deemed to waive or limit in any way any other remedies of the Developer, including those to insure compliance with the Architectural Guidelines and Regulations, or any Owner under this Declaration or at law.

(e) NEITHER THE DEVELOPER, ITS AGENTS, EMPLOYEES, DIRECTORS, OFFICERS NOR ANY OTHER MEMBER OF AN ARCHITECTURAL CONTROL AUTHORITY, SHALL BE RESPONSIBLE OR LIABLE IN ANY WAY FOR THE DEFECTS, STRUCTURAL OR OTHERWISE, IN ANY PLANS OR SPECIFICATIONS APPROVED BY THE DEVELOPER OR THE ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED, NOR FOR ANY DEFECTS IN ANY WORK DONE ACCORDING TO THE PLANS AND SPECIFICATIONS APPROVED BY THE DEVELOPER, THE BOARD OF DIRECTORS OR ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED. FURTHER, NEITHER THE DEVELOPER, THE ASSOCIATION, ARCHITECTURAL CONTROL AUTHORITY, OR THEIR RESPECTIVE SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, OR ATTORNEYS SHALL BE LIABLE TO ANYONE BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, MISFEASANCE, MALFEASANCE OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OR SPECIFICATIONS OR THE EXERCISE OF ANY OTHER POWER OR RIGHT OF THE DEVELOPER OR THE ARCHITECTURAL CONTROL AUTHORITY PROVIDED FOR IN THIS DECLARATION. EVERY PERSON WHO SUBMITS PLANS AND SPECIFICATIONS TO THE DEVELOPER OR THE ARCHITECTURAL CONTROL AUTHORITY, WHEN EMPOWERED, FOR APPROVAL AGREES, BY SUBMISSION OF SUCH PLAN AND SPECIFICATIONS, AND EVERY OWNER OF ANY LOT AGREES, THAT HE WILL NOT BRING ANY ACTION OR SUIT AGAINST THE

DEVELOPER, THE ASSOCIATION, THE MEMBERS OF ITS BOARD OF DIRECTORS OR THEIR AGENTS, EMPLOYEES AND OFFICERS, OR ANY MEMBER OR AGENTS OF THE ARCHITECTURAL CONTROL AUTHORITY, TO RECOVER ANY DAMAGES ARISING OUT OF SUCH APPROVAL OR DISAPPROVAL, AND, EACH OWNER BY ACCEPTANCE OF THE DEED TO THE LOT, RELEASES, REMISES, QUIT CLAIMS, AND COVENANTS NOT TO SUE FOR, ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH SUCH APPROVAL OR DISAPPROVAL, NOTWITHSTANDING, ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

ARTICLE VIII

OWNER'S MAINTENANCE RESPONSIBILITIES

8.1 OWNER'S MAINTENANCE RESPONSIBILITIES. Unless specifically identified herein or specifically elected by the Developer or the Board of Directors, When Empowered, as being the responsibility of the Association, all maintenance and repair of a Lot or Area of Extended Lot Owner Responsibility, together with all portions of the Dwelling, and other Structures on the Lot, including without limitation landscaping maintenance, shall be the responsibility of the Owner of such Lot. The responsibility of each Owner shall include, but not limited to, the painting, maintenance, repair, and replacement of walls or fences, and all siding, exterior doors, fixtures, mailboxes, equipment, and appliances (including, without limitation, the heating and air-conditioning system for the Dwelling) and all chutes, flues, ducts, conduits, wires, pipes, plumbing or other apparatus which are deemed to be a part of the Dwelling or Lot or Area of Extended Lot Owner Responsibility, and the lawns, trees, shrubs, fences, driveways, walkways or sidewalks and any other landscaping component on the Lot or Area of Extended Lot Owner Responsibility. The responsibility of the Owner shall also include, but not be limited to, the maintenance, repair, and replacement of all glass, lights and light fixtures (exterior and interior), awnings, window boxes, window treatments, window screens, and all screens or glass-enclosed porches, balconies, or decks which are a part of the Dwelling. Each Owner shall also maintain roof, gutters and downspouts in a good state of repair. The Developer and the Association, When Empowered, shall have the authority to enforce an Owner's maintenance responsibilities under this Article, pursuant to remedies set forth in this Declaration.

8.2 OWNER MUST PROVIDE INSURANCE OF DWELLING. Each Owner shall, at its own expense, insure the Dwelling and all other insurable improvements on the Lot in an amount not less than the then current maximum insurable replacement value thereof. Such coverage shall afford protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsements and such other risks as from time to time customarily shall be covered with respect to buildings similar in construction, location and use, including, but not limited to, vandalism, malicious mischief, windstorm and water damage.

8.3 RECONSTRUCTION OR REPAIR OF DAMAGED DWELLING. If any Dwelling shall be damaged by casualty, the Owner of such Dwelling shall promptly reconstruct or repair it so as to restore such Dwelling nearly as possible to its condition prior to suffering the damage. All such reconstruction and repair work shall be done in accordance with plans and specifications therefor, approved by the Developer, or Board of Directors, When Empowered. Encroachments upon or in favor of Dwelling or Lots, which may be necessary for or created as a result of such reconstruction or repair, shall not constitute a claim or basis of a proceeding or action by the Owner on whose Dwelling or Lot such encroachment exists, provided that such reconstruction or repair is done substantially in accordance with

the plans and specifications approved by the Developer, or Architectural Control Authority, When Empowered, or as the building was originally constructed.

ARTICLE IX

GRADING, DRAINAGE, EROSION CONTROL AND MINOR DRAINAGE

9.1 GENERAL GRADING, DRAINAGE AND EROSION CONTROL. For purposes of this article, the responsibilities hereinafter described of an Owner of a Lot shall include the corresponding Area of Extended Lot Owner Responsibility, in addition to the Lot itself. The total responsibility for and cost of compliance with this Section of the Declaration shall be that of the Owner of the Lot. Any or all of the responsibility of the Developer as a Lot Owner for drainage and erosion control on or from a Lot and for the cost thereof may, if so stated in that agreement, be transferred through the execution of a written agreement between the Developer and an individual or entity purchasing that Lot. The Developer, or the Association, When Empowered, shall have as remedies for non-compliance, the levying of Assessments for non-compliance against that Lot, the authority to enter the Lot and take appropriate action to remedy the violation or the authority to bring legal action to force the Owner of the Lot to comply with the terms set out herein. In the event that the Developer or the Association takes such action to assure compliance, as with other violations of the declaration, all costs incurred by the Developer or the Association related to bringing the Lot or Area of Extended Lot Owner Responsibility into compliance shall be that of the Owner and collectable by the Developer from the Owner or if by the Association, shall be made a part of the Association's continuing lien on the Lot.

All grading, during and after construction, shall at all times be performed in accordance with (a) any applicable portions of the storm water management plan, or any sediment and erosion control plan, grading and drainage plan, pollution prevention plan or any other applicable plan which may be on file with the Developer or Association or filed with any applicable governmental agency or authority which conforms to regulations promulgated by the South Carolina Department of Health and Environmental Control and/or (b) any other applicable legislation, law, statute or ordinance governing the control of drainage. It shall at all times be the responsibility of the Owner or co-Owner of the Lot or, in the case of the contractual transfer of the responsibility for compliance directly from the Developer to an individual or entity, that individual or entity, to request and review all such applicable plans. Unless such a request is made by said Owner, co-Owner, individual or entity, failure on the part of the Developer or Association to supply that Owner, co-Owner, individual or entity with copies of the applicable plans shall not be a defense for non-compliance or release of responsibility on the part of that Owner, co-Owner, builder, individual or entity. Any Owner, co-Owner, including builders, or builder, by acceptance of the deed to a Lot, and at all times thereafter, shall have been deemed to have agreed to and accepted the responsibility established by a co-permittee agreement and to have assumed the responsibilities of a co-permittee and be bound to the above mentioned plans and indemnify and hold the Developer, the Association and the Architectural Control Authority harmless from any and all deviations by the Owner, co-Owner, or their builder from that plan or from the Owner's, co-Owner's or builder's failure to comply with this Declaration or any applicable legislation, laws, statutes or ordinances, whether such language is included in that deed, contract, or acceptance or assignment document or whether they have executed a "co-permittee agreement" or not.

All temporary and permanent grading shall be performed in a manner to allow for proper drainage, to properly manage the flow of storm water run-off and to control erosion. During and after construction, Owner (and during construction, Owner's building contractor) shall be responsible for maintaining all grading and drainage to prevent the damming of water, increased runoff, or erosion that results in sediment loss. In no case shall sediment be allowed to wash onto or accumulate on adjacent Lots, adjacent properties, into bodies of water, onto the streets of the Community or into the storm

drainage system; or to adversely affect any of these areas or structures. Owner and Owner's building contractor shall provide rip-rap, gravel exits, water bars, berms, sediment fences, hydroseeding, sod, or other forms of erosion control as may be required by the Developer, the Association, or the Architectural Control Authority or any governmental agency.

Owner (and Owner's building contractor upon completion of construction) shall insure that the grade of the Lot and Area of Extended Lot Owner Responsibility, and any adjustment to that grade thereafter, does not cause the depth of any utilities installed upon the Lot or Area of Extended Lot Owner Responsibility to be reduced to less than the standard set forth by the utility provider or any applicable code, statute or law, whichever may be deeper.

9.2 Minor Drainage. Minor drainage, defined as drainage pipe or system draining more than one Lot and that is not accepted for maintenance by any county or municipality or other like entity, may be accepted for maintenance by the Association, provided; however, that in the event that an Owner neglects or fails to keep the minor drainage located on their Lot or Area of Extended Lot Owner Responsibility free and clear of obstructions or blockage or if an Owner shall damage or destroy any portion of the minor drainage system on their Lot or Area of Extended Lot Owner Responsibility, the Developer or the Association, When Empowered, may in addition to any other remedy, enter the Lot or Area of Extended Lot Owner Responsibility and clear any obstruction of and repair any damage to the minor drainage system structures on the Lot or Area of Extended Lot Owner Responsibility. The determination as to whether the Association assumes maintenance responsibility for any portion of the minor drainage system located on a Lot or Area of Extended Lot Owner Responsibility shall be that of the Developer as long as it owns any portion of the Property. Thereafter, the determination as to whether the Association assumes maintenance responsibility for any portion of the minor drainage system located on a Lot or Area of Extended Lot Owner Responsibility and at all times as to whether an Owner has neglected or failed to keep any portion of the minor drainage system located on their Lot or Area of Extended Lot Owner Responsibility free and clear of obstructions or blockage or has damaged or destroyed the minor drainage structures on the Lot or Area of Extended Lot Owner Responsibility shall be made by the Developer or the Board, When Empowered, or by an entity authorized to do so by the Developer or the Board, When Empowered, in its sole discretion. In the event that the Association determines that the need for maintenance, repair or replacement of the minor drainage, whether such minor drainage system or a portion thereof is accepted for maintenance by the Association or not, is caused through the willful or negligent act of an Owner, or the family, guests, employees, lessees, or invitee(s) of any Owner, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof, together with any Assessments for non-compliance levied by the Association for non-compliance and all costs of the collection shall be added to and become a part of the Assessment to which such Owner is subject and shall become a lien against the Lot of such Owner. Each Owner is responsible for the actions of and the compliance with these documents and the regulations by the family, guests, lessees, employees or invitee(s) of that Owner and shall further be responsible for the payment of any Assessments levied for that non-compliance and all costs associated thereto.

ARTICLE X

REMEDIES

10.1 REMEDIES FOR NONPAYMENT OF ASSESSMENTS. Any Assessments not paid by the due date shall bear interest from the due date at the rate of sixteen percent (16%) per annum or, if sixteen percent (16%) is higher than allowed by law, then the highest rate allowed by law. Said interest shall be charged at the discretion of the Developer or the Association's Board of Directors, When Empowered. In addition, the Developer or the Board of Directors of the Association, When Empowered, shall have the right to charge an Association collection fee or late charge on any Assessment or installment

thereof which shall not have been paid by its due date. In the event that the Developer or the Board of Directors of the Association, When Empowered, chooses an installment schedule for the method of payment for an Assessment or as a method of allowing an Owner to pay past due Assessments, and in the event that any installment is delinquent, the Developer or the Board of Directors of the Association, When Empowered, shall have the right to accelerate and immediately make due all or part of the Assessment due from that Owner of that Lot for that budgeted period. The Developer or the Board of Directors of the Association, When Empowered, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the Lot(s) in the same manner as prescribed by the laws of the State of South Carolina for the foreclosure of mortgages by judicial proceedings, and may seek a deficiency judgment, and interest, court costs, all costs of collection, including reasonable attorney's fees and costs. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the Assessments provided for herein. No disagreement on the part of any Owner with respect to the budget; the amount or installment schedule for any Assessment; any change to the amount or installment schedule for the Assessment; the Regulations established or amended by the Developer or the Board of Directors of the Association, When Empowered; the actions or lack of action on the part of the Developer or the Association; the purpose for any Assessment for Capital Repair or Improvements; or the amount or purpose of any Assessment for Budgetary Shortfall shall be reason for any Owner to fail to pay any Assessment at the time that it is due. Also, the Developer or Board of Directors of the Association, When Empowered, may at any time notify the holders of mortgages of the Lot of the failure of the Owner to pay Assessments or any other violation of the Declaration.

10.2 REMEDIES FOR NONPAYMENT OF AD VALOREM TAXES OR LEVIES FOR PUBLIC IMPROVEMENTS BY THE ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or Assessments levied for public improvements to the Common Area, which default shall continue for a period of six (6) months, each Owner of a Lot shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or Assessments in an amount determined by dividing the total taxes and/or Assessments due the governmental authority by the total number of Lots in the Community. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien, subordinate to all mortgages on the Lot of the then Owner, his or their heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

10.3 REMEDIES FOR FAILURE TO MAINTAIN EXTERIOR OF DWELLING AND LOT. In the event that the Owner neglects or fails to maintain his Lot, Area of Extended Lot Owner Responsibility, and/or the exterior of his or her Dwelling in the Community in a manner consistent with the Community Wide Standard, the Developer or the Association, When Empowered, may in addition to any other remedy, provide such exterior maintenance only after providing the Owner a compliance demand in writing providing a period of time for the Owner to comply or cure the neglect or failure to maintain. The Developer or the Association, When Empowered, shall first give written notice to the Owner of the specific items of the exterior maintenance or repair that the Association intends to perform and the Owner shall have the time set forth in said notice within which to perform such exterior maintenance himself or to satisfy the Association that the required maintenance or repair will be completed in a timely manner. The determination as to whether an Owner has neglected or failed to maintain his Lot, Area of Extended Lot Owner Responsibility, and/or Dwelling in a manner consistent with other Lots, Areas of Extended Lot Owner Responsibility and Dwellings in the Community shall be made by the Developer or the Board of Directors of the Association, When Empowered, in its sole discretion, or an entity authorized to do so by the Developer or the Board of Directors of the Association, When Empowered.

In the event the Association performs such exterior maintenance, repair or replacements repair, the costs of such maintenance, repairs or replacement together with all costs of collecting from the Owner the cost of such maintenance, repairs or replacement established herein shall be added to and become a part of the Assessment to which that Lot is subject.

In the event that the Association determines that the need for maintenance, repair or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the family, guests, employees, lessees, or invitee(s) of any Owner, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof, together with any Assessments for non-compliance levied by the Association and all costs of the collection shall be added to and become a part of the Assessment to which such Owner is subject and shall become a lien against the Lot of such Owner. Each Owner is responsible for the actions of and the compliance with these documents and the Regulations by the family, guests, lessees, employees or invitee(s) of that Owner and shall further be responsible for the payment of any Assessments levied for that non-compliance.

10.4 ADDITIONAL REMEDIES.

(a) Enforcement of the Declaration, By-Laws of the Association, and the Regulations in addition to any other remedy set out herein, may be carried out by the Developer, the Association, When Empowered, or the Owner through any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction in the Declaration, By-Laws, or Regulations established by the Developer or the Association, When Empowered, either to prevent or restrain violations, to recover damages or to compel a compliance to the terms thereof. Any failure by the Developer, the Association, When Empowered, or any Owner to enforce any covenant or restriction herein contained or contained in the Declaration or By-Laws or to enforce any of the Regulations shall in no event be deemed a waiver of a right to do so thereafter. In addition to the foregoing, the Developer or the Board of Directors of the Association, When Empowered, shall have the right wherever there shall have been built on any Lot or Area of Extended Lot Owner Responsibility any Structure which is in violation of the Declaration, Architectural Guidelines or Regulations to enter upon the Lot or Area of Extended Lot Owner Responsibility where such violation exists and summarily abate or remove the same at the expense of the Owner, including without limitation the right to cease current construction and enjoin further construction, if after written notice of such violation, it shall not have been corrected by the Owner within the time required by the notice of violation. Any such entry and abatement or removal shall not be deemed a trespass.

(b) The Developer or the Association, When Empowered, may, in addition to any other remedy, suspend the Common Area enjoyment rights of any Owner, their family members, lessees, invitees, licensees, employees or guests, or any of their pets or animals, for an appropriate period of time to be determined on a case by case basis by the Developer or the Board of Directors, When Empowered, for any non-compliance with the provisions of this Declaration, the By-Laws or of the Regulations. The right, however, of a Member to ingress and egress over the roads and/or parking areas shall not be suspended if they provide necessary access to their Lot.

(c) The Owner grants to the Developer and the Association the right and permission to enter the Lot to remove or correct any violation of the Declaration, By-Laws or Regulations, including but not limited to, the maintenance of Lots, Areas of Extended Lot Owner Responsibility or any Structure (as defined in Article I, Section 1) thereon, and the removal of

abandoned automobiles from any portion of the Property considered by the Board of Directors to be in violation with the Regulations, Declaration, By-Laws or to be a nuisance.

(d) In addition to the remedies outlined in this Article, the Developer or the Association, When Empowered, may, but shall not be required to, enter upon any Lot(s), Area of Extended Lot Owner Responsibility or Common Area, seize and either deliver to the animal control authority at the Owner's cost, any pet or other animal that is not in compliance with the Declaration, By-Laws, or the Regulations or to be a nuisance. Notice of non-compliance shall be given to any Owner whose pets or animals are not in compliance, except when said non-compliance creates an emergency as determined by the Developer or the Board of Directors of the Association, When Empowered. The departure, while not under the restraint of a leash, of any dog from the Lot of its Owner, shall immediately constitute an emergency and there shall be no requirement for notice to be given.

(e) In addition to the remedies outlined above in this Article, the Developer, or the Association, When Empowered, shall have the right to arrange for the removal, at the Owners expense, of any vehicle that is parked in violation of the Declaration or the Regulations after notice to the Owner of the Lot on or beside which the vehicle is parked. Notice of non-compliance shall be given to any Owner where the parking of a vehicle or vehicles, except when said non-compliance creates an emergency as determined by the Developer or the Board of Directors of the Association, When Empowered. The parking of a vehicle, which impedes the passage of any emergency vehicle or school bus, shall immediately constitute an emergency and there shall be no requirement for notice to be given.

(f) In addition to the remedies outlined above in this Article, the Developer, or the Association, When Empowered, shall have the right to deny any and all services provided by the Association to its Members, including without limitation review and/or approval of architectural plans by the Architectural Control Authority, to those Members who are not in compliance with the terms of the Declaration, the By-Laws, the Architectural Guidelines, or the Regulations, including without limitation those Members who owe past due Assessments, until such time as the Member comes back into compliance in the sole discretion of the Developer, or the Board of Directors, When Empowered.

(g) With regard to Owners of multiple Lots in the Community, including without limitation builders, and in addition to the remedies outlined above in this Article, the Developer, or the Association, When Empowered, shall have the right to apply delinquent Assessment amounts owed on one or more of the Owner's Lots to the Association's all-encompassing lien over all the Lots in the Community owned by that Owner, and the Developer and the Association, When Empowered, shall possess all the rights and powers of remedying delinquent Assessments and enforcing its continuing lien on the Lots as set forth in the provisions of this Declaration. The Association's all-encompassing lien over said Lots shall not be released on the individual Lots it covers until any and all Assessment delinquencies for all the Owner's Lots have been remedied by the Owner, unless otherwise authorized by the Developer or the Association, When Empowered. If such a Lot is sold without payment of its delinquent assessments, the Association may apply that delinquent amount to its all-encompassing lien over that Owner's remaining Lots in the Community.

(h) All costs incurred by the Developer (in its capacity as a Class "B" Member) or the Association, When Empowered, as a result of any violation(s) of any provision of this Declaration, the Architectural Guidelines, or the Regulations, including without limitation all

costs of collection and attorney's fees, shall be a lien upon the affected property and a personal obligation of the applicable Owner.

10.5 DEVELOPER'S CLASS "C" MEMBERSHIP ENFORCEMENT REMEDIES.

(a) In addition to the remedies outlined above in this Article and in addition to any other remedies or rights reserved to the Developer under a previously recorded document affecting the Property or a portion thereof, the Developer's right to enforce the provisions of this Declaration, the By-Laws, the Architectural Guidelines, and the Regulations shall extend for as long as the Developer owes any duties or obligations to a governmental body, district, agency, or authority exercising jurisdiction over a portion of the Property, even if the Developer has already turned over control of the Association to a Member-elected Board of Directors and even if eighty (80%) percent of the Dwellings permitted by the Master Plan already have certificates of occupancy issued thereon and have been conveyed to Owners other than builders holding title for purposes of development and sale (i.e., Class "B" Membership has converted to Class "C" Membership), PROVIDED that the Developer may exercise the extended enforcement rights described in this Section only for the specific purpose of (1) responding to a request or demand of a governmental body, district, agency, or authority exercising jurisdiction over a portion of the Property or (2) in the sole discretion of the Developer, preventing an anticipated request or demand of a governmental body, district, agency, or authority exercising jurisdiction over a portion of the Property.

(b) The Developer may exercise its extended enforcement powers described in this Section: (1) through the Association, whereby the Association exercises its enforcement powers under this Declaration in order to adequately respond to, or attempt to prevent, the request or demand of a governmental body, district, agency, or authority; or (2) independently of the Association, whereby the Developer exercises any and all enforcement powers reserved to it under the Declaration in order to adequately respond to, or attempt to prevent, the request or demand of a governmental body, district, agency, or authority, including without limitation the right to enter any portion of the Property to remedy a violation, the right to impose Assessments for Non-Compliance and the right to file a lien upon the Lot of the Owner against whom enforcement is being sought for the amount of such Assessments, and the right to bring any and all other legal actions to force compliance by an Owner. In the event the Developer exercises said extended enforcement powers, all costs incurred by the Developer, including reasonable attorneys fees, shall be the responsibility of the Lot Owner(s) against whom enforcement was sought and shall be added to the lien filed by the Developer against said Lot Owner, if applicable. The provisions of this Section provide the Developer with the option of exercising extended enforcement powers under the Declaration as a Class "C" Member, however they do not impose any duty or obligation upon the Developer to do so.

ARTICLE XI

ANNEXATION OF ADDITIONAL PROPERTY OR REMOVAL OF PROPERTY. So long as the Developer owns any portion of the Property, the Developer shall have the right to annex additional property into the Property by the filing of an amendment or addendum to this Declaration describing the property annexed and imposing this Declaration upon such property. All property annexed in this manner shall be a part of the Property and Community as fully as if it had been a part thereof from the filing of this Declaration. As property is added to the Community, if any, the Lots comprising such additional property shall be counted for the purpose of voting rights. So long as the Developer owns any portion of the Property, the Developer shall have the right to remove portions of the Property from the operation of

the Declaration by filing an amendment or addendum to this Declaration describing the portion of the Property removed and releasing said portion from this Declaration.

ARTICLE XII

GENERAL PROVISIONS

12.1 DURATION. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Developer, the Association, or the Owner(s) of any land subject to this Declaration, and their respective legal representatives, heirs, successors, and assigns. All covenants, conditions, limitations, restrictions, and affirmative obligations set forth in this Declaration, and amended as provided in Sections 5 and 6 of this Article from time to time, shall be binding and run with the land and continue until twenty one (21) years from the date of execution hereof, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by two-thirds (2/3) of the then Owners affected by the same has been recorded, agreeing to change the same in whole or in part; provided, however, that all property rights and other rights reserved to the Developer shall continue forever to the Developer, except as otherwise herein provided.

12.2 NOTICE. Any notice required to be sent to any Member or Owner under the provision of this Declaration and service of any legal proceedings shall be deemed to have been properly sent and received when personally delivered or mailed, post paid, to the last known address of the Person who appears as that Person authorized to receive notice or to vote as shown on the records of the Association at the time of such mailing. It shall at all times be the responsibility of any Owner to file written notice with the Association of the name and address of the Person authorized to receive notification from the Association or the Developer as to Assessments, or infractions of the Regulations. Proof of the authority to receive notice and to vote shall be presented to the Association in the form of a certificate signed by the Owner of a Lot or HUD Settlement. Such certificate shall be deemed valid until revoked by a subsequent certificate. The Association does not have to send notice or service to any other address. If the Owner does not file such certificate, the notice or service shall be sufficient if delivered, posted or mail post paid to the Lot

12.3 SEVERABILITY. In the event that any one or more of the foregoing conditions, covenants, restrictions, or reservations shall be declared for any reason by a court of competent jurisdiction to be null and void, such judgment or decree shall not in any manner whatsoever effect, modify, change, aberrant, or nullify any of these covenants, conditions, and restrictions not so declared to be void but all remaining covenants, conditions, reservations and restrictions not so expressly held to be void shall continue unimpaired and in full force and effect.

12.4 AMENDMENT. With respect to the minimum square footage requirements in the Community, the Developer reserves the right to alter, from time to time, the minimum square footage requirements as established by the Developer or as set out the Architectural Guidelines and Regulations, when established. In addition to any other manner herein provided for the amendment of this Declaration, the covenants, restrictions, easements, charges, and liens for this Agreement may be amended, changed, added to, derogated or deleted at any time and from time to time upon the execution and recordation of any instrument executed by Owners holding not less than a majority of votes of the Owners of the Membership of the Association, provided that so long as the Developer is the Owner of any Lot affected by this Declaration, the Developer's consent must be obtained. Provided, further, that the provisions for voting of Class A and Class B Members as herein contained in this Declaration shall also be effective in voting changes in this Declaration. Without limiting the foregoing, the Association, and so long as the Developer

owns at least one (1) Lot in the Community, the Developer or the Board of Directors, When Empowered, shall, at any time and from time to time as the Developer or Board of Directors, When Empowered, see fit, have the right to cause this document to be amended to correct any clerical or scrivener's error(s) or to conform to the requirements of the Federal Housing Administration or the Veterans Administration or the Federal National Mortgage Corporation, FNMA or any other insurer or purchaser of mortgage secured by the Lots as the same may be amended from time to time.

12.5 AMENDMENT BY DEVELOPER. In addition to any other right to amend as set out herein, as long as the Developer owns any portion of the Property, the Developer may amend and/or restate this Declaration without the consent of the Owners, their mortgagees, or the Association. Subject to the Declaration, every purchaser or grantee of any Lot or Common Area now and hereafter, by acceptance of a deed or other conveyance thereof, agrees that the Declaration may be amended as provided herein and such amendment shall be applicable to and binding upon the Owners and the Lots at the time it is recorded in the applicable County Register of Deeds office.

12.6 EFFECTIVE DATE. This Declaration shall become effective upon its recordation in the office of the Register of Deeds for the county in which the Property is located.

12.7 PAID PROFESSIONAL MANAGER. The Developer or the Board of Directors, When Empowered, shall employ a manager or managerial firm to supervise all work, labor, services, and material required in the operation and maintenance of the Common Area and in the discharge of the Association's duties throughout the Community. The initial manager of the Association shall be HVP3 Management, LLC. So long as Developer owns any portion of the Property, HVP3 Management, LLC shall continue to manage the Association. The Association may change the manager of the Association upon the vote of a majority of the Members, provided that so long as the Developer is the Owner of any Lot affected by this Declaration, the Developer's consent must be obtained.

12.8 BINDING EFFECT. This Declaration shall inure to the benefit of and be binding upon the parties hereto, including without limitation all Owners, and the purchasers of Lots, their heirs, personal representatives, successors and assigns.

12.9 WAIVER. The failure to enforce any rights, reservations, restrictions, or conditions contained in this Declaration, however long continued, shall not be construed to constitute a precedent or be deemed a waiver of the right to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement.

12.10 ATTORNEY'S FEES AND COST. Should the Developer or the Association employ counsel to enforce the Declaration, or the reasonable rules, regulations and policies established or amended by the Developer or the Board of Directors from time to time because of a breach of the same, all costs incurred in such enforcement, including a reasonable fee for the Developer's or the Association's counsel and other reasonable costs of collection, shall be paid by the Owner of such Lot or Lots in breach thereof.
