Covenants for Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(i) Annual assessments or charges, and

(ii) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the Lot and improvements against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation of an Owner for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the maintenance of the Common Area, the payment of any taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Bylaws, the establishment of an adequate reserve for the maintenance, repair and replacement of the improvements in the Common Area, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Amount of Annual Assessments. The maximum annual assessment for each Lot in the Properties shall be payable annually, in advance, and the amount thereof shall be determined as follows:

(a) Up to and including December 31, 2004, the maximum annual assessment shall be Fifty and No/100 Dollars (\$50.00) per Lot.

(b) The maximum annual assessment for the calendar year beginning January 1, 2005, and for each calendar year thereafter, shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the membership by an amount not to exceed Five Percent (5%) of the maximum annual assessment of the previous year.

(c) The maximum annual assessment may be increased without limit by the affirmative vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(d) The Board of Directors may fix the annual assessments at an amount not in excess of the maximum. When the Board of Directors fixes the annual assessments for each calendar year, the Board shall, at the same time and in connection therewith prepare, or cause to be prepared, an annual budget showing the services furnished by the Association and the cost thereof per lot.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related hereto. Provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all lots and may be collected on an annual basis, or on such other basis as may be approved by the Board of Directors.

Section 5. Notice and Quorum for any Action Authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or proxies entitled to cast Sixty Percent (60%) of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be One-Half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the date set for the preceding meeting.

Section 6. Uniform Rate of Assessments. Both annual and special assessments shall be fixed at a uniform rate for all Lots and shall be collected annually in advance, or on any other basis approved by the Board of Directors.

Section 7(a). Date of Commencement of Annual Assessments.

The annual assessments provided for herein shall commence as to each lot on the first day of January following the construction of a residence on the lot and the issuance of a certificate of occupancy. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment, the Board of Directors shall fix the amount of the annual assessment and give every owner subject thereto written notice of each assessment. Due dates shall be established by the Board of Directors. The Association, upon demand at any time and for a reasonable charge, shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 7(b). Initial Start Up Fee: In addition to the annual assessments as set forth herein and in lieu of paying a prorata assessment for the year of conveyance of each lot, a one time start up fee in the amount of Fifty (\$50.00) Dollars will be payable by the initial Purchaser of each lot at the time of closing of the sale and purchase of each lot.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any annual assessment not paid within thirty (30) days after the due date shall bear interest from the due date at that rate which is equal to the rate of interest chargeable by law in the State of South Carolina on money judgements. The Association may bring an action at law against the owner personally obligated to pay the same or foreclose the lien against the property in like manner as a mortgage of real property, and, in either event, interest, costs and a reasonable attorneys fee shall be added to the amount of such assessment. Upon exercise of its right to foreclose, the Association may elect to declare the entire remaining amount of the annual assessment due and payable and collect the same through foreclosure. In the event of any such foreclosure, the Owner shall be required to pay a reasonable rental for the Lot after commencement of the foreclosure action; the plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or by abandonment of his Lot.

Section 9. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to (1) the lien of any first mortgage, and (2) the lien of any unpaid ad valorem taxes. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to a mortgage foreclosure or any proceeding in lieu of foreclosure shall extinguish the lien of such assessments as to the payments which became due prior to such sale or transfer. No such sale or transfer shall release such lot from liability for any assessments thereafter becoming due or from the lien thereof. Nothing herein shall be deemed to require any Mortgagee to be responsible for the collection of assessments.

ARTICLE V ARCHITECTURAL CONTROL

No building, fence, wall, mailbox or other structure, and no change in topography, landscaping, grading, filling or any other item, shall be commenced, erected or maintained upon any portion of the Property or any lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, so long as Declarant owns any lot in the Subdivision or until such time as Declarant relinquishes such rights in writing, and thereafter, by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event approval or disapproval is not given within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and compliance with this Article will be deemed to have been completed.

ARTICLE VI Use Restrictions

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the Common Area. Such rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors shall be recorded in a book of resolutions, which shall be maintained in a place convenient to the owners and available to them for inspection during normal business hours.

No other temporary structure or apartment shall be erected upon any Lot.

b. No Lot in the subdivision shall be subdivided or reduced in size without the written consent of the Declarant, provided, however, that no Lot in the subdivision shall be subdivided or reduced in size so as to have a total area less than the smallest Lot shown on the above referenced plat, nor shall any Lot so subdivided leave a residual lot with a total area less than the smallest Lot shown on said plat.

c. Any consequence of alteration to the natural grade of any Lot shall be the responsibility of the Purchaser of said Lot. Said Purchaser shall also be responsible for the channeling of any surface water in accordance with the approved grading Plan of the subdivision.

d. No residence containing less than Nine Hundred (900) square feet of heated space shall be erected on any lot.

g. The placement, design, type, material and color of any fencing shall be first approved by the Declarant or the Architectural Committee appointed by it in accordance with Article V above.

h. i. No noxious or offensive activity or other thing shall be had or done upon any Lot in the subdivision, and nothing shall be had or done thereon which constitutes or becomes an annoyance or nuisance to the neighborhood, or constitutes an unsanitary condition. No livestock or other such animals shall be allowed or kept on any lot in the subdivision. Nothing shall be done or allowed, and no conditions or situation shall be permitted on any such Lot which shall constitute, cause or become a nuisance or otherwise detract from the desirability of the neighborhood as a residential section.

No radio or television transmission or reception towers, antennas, or satellite dishes shall be erected on a Lot other than customary satellite dishes which do not exceed sixteen (16") inches in width, provided that such satellite dishes shall not be visible from the street on which the house faces. In no event shall freestanding transmission or receiving towers or discs or dishes be permitted which are greater than sixteen inches in diameter.

k. No tent, shack, trailer, bus, camper or motor home or temporary structure of any kind shall be erected, kept, had or allowed at any time on any Lot or parked on the street or road adjacent thereto; provided, however, that a camper or motor home may be parked in an enclosed garage where such recreational vehicle is not visible from the street, or adjoining homes, and also provided such garage meets all requirements for buildings and improvements contained elsewhere in these restrictions. No automobiles, trucks or other motor vehicles shall be parked within the right of way of any public street for a period of longer than twenty four hours, nor shall any such vehicle be parked on any portion of a lot other than in an approved garage or on an approved concrete driveway for a period of longer than twenty four (24) hours. All garage doors shall remain closed except for ingress and egress. No clothesline may be erected or maintained on any lot. All rubbish, garbage and trash shall be kept in closed cans, or other suitable containers, which shall be placed and kept in such manner as to be out of sight from the street. The lot, property and premises shall be kept clean at all times. No

l. Water, sanitary sewer, drainage and public utility easements are reserved over each lot in the subdivision along the side five (5) feet and front and rear ten (10) feet and such others as are shown on the recorded plat referred to in these restrictions. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities, or which may change the direction or flow of drainage channels. The Declarant hereby reserves the right to create and impose additional easements or rights-of-way over unsold lots or for street, drainage and utility installation purposes by the recording of appropriate instruments, and such shall not be construed to invalidate any of these covenants. Declarant may grant written easements to specific utility providers within the easement areas described herein as reserved for utilities, and such easements shall be effective whether recorded before or after the sale of a lot affected thereby.

m. No sign of any kind shall be displayed to the public view on any lot except one (1) sign of not more than five (5) square feet advertising the property for sale or rent, or signs approved by Declarant and used by a builder to advertise the property during construction and sales period. During the initial period of construction on the vacant lots, no sign shall be placed on any lot unless the style and design thereof shall have been approved in writing by the Declarant, its successors or assigns. Provided, however that nothing contained in this paragraph shall prohibit Declarant from approving a sign or signs larger than provided in this paragraph for use at model home sites or at the entrance to the development.

n. These restrictions shall run with the land and be binding upon all parties, persons, firms or corporations claiming under them until January 1, 2034. Thereafter said restrictions shall automatically be extended for successive periods of ten (10) years unless changed in part or in whole by written instrument signed by a majority of then record owners of the lots.

o. If any person shall violate, or attempt to violate, any of these restrictions, any person who shall own real property in the subdivision may enforce these restrictions by proceedings at law or in equity, to either recover damages or restrain such violation. All costs and expenses incurred in the successful enforcement of any restriction, including a reasonable attorney's fee, shall thereupon become due and payable by the losing party.

p. In the event of the unintentional violation of any of the building line restrictions or minimum lot residence square

foot requirements as set forth herein, Declarant reserves the right, by and with the mutual written consent of the owner or owners for the time being of such Lot, to change the building line restriction set forth in this instrument; provided, however, that such change shall not be in violation of any provisions of the zoning provisions of the County of Richland, State of South Carolina.

No person shall undertake, cause or allow any alteration or construction in or upon any portion of the Common Area or facilities except under the direction of and with the express consent of the Association. The Common Area and facilities shall be used only for the purposes for which they are intended and reasonably suited and which are incident to the use and occupancy of the residences, subject to any rules and regulations that may be adopted by the Association pursuant to its Bylaws. Plants and trees now or hereafter located on the Common Area shall be maintained by the Association and may not be removed except by permission of the Board of Directors. Section 6. Notice to Mortgagee. A first mortgagee, upon request, is entitled to written notification from the association of the following: (a) any default in the performance by its borrower of any obligations under the PUD constituent documents which is not cured within sixty (60) days; (b) any condemnation loss or any casualty loss which affects a material portion of the Properties or any of such mortgagee's security; (c) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, and (d) any proposed action which would require the consent of a specified percentage of the mortgage holders.

Section 4. Amendment. The covenants and restrictions of this Declaration shall run with the land and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall automatically be extended for successive periods of ten (10) years.
