limited to, Common Properties, paved parking areas and drives, paved roads, utility systems, retention pond facilities, and other improvements or easements serving the Lots and Common Properties. Declarant shall have the right, but not the obligation, for so long as Declarant owns any Lot primarily for the purpose of sale, to make improvements and changes to all Common Properties and to all Lots owned by Declarant (other than changes to the location of the boundaries of the Lots), including, without limitation, (i) addition to and realignment of parking spaces, (ii) installation of any utility systems and facilities, (iii) installation of security and refuse facilities, and (iv) work related to the exteriors and roofs of the Townhouses.

### ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION.

1. Membership. Every person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot, and ownership of a Lot shall be the sole qualification for such membership. The foregoing is not intended to include mortgagees or any other persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate or otherwise affect an Owner's membership in the Association. Notwithstanding any of the foregoing to the contrary, no Owner, regardless of whether title to a Lot is vested in more than one Owner, shall have more than one membership or one vote per Lot.

2.1. Classes. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners other than the Declarant. Class A Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot. The Owners shall file with the secretary of the Association an instrument in writing signed by all such Owners designating one Owner (or in the case of a corporation, one of its officers) to cast the vote which is attributable to such Lot.

Class B. The Class B Member shall be the Declarant and shall be entitled to two (2) votes for each Lot it owns as shown on the Bonded Plat. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs *earlier*:

- (a) the sale to the Owners of Ninety (90%) Percent of the Lots; or
- (b) when Declarant elects by notice to Association in writing to terminate its Class B membership.

2.2. Affirmation. Unless otherwise provided herein, all actions requiring the consent of the Members shall be deemed to have been authorized upon the receipt of the affirmative vote of the Class B Member.

3. Governing Body. The administration of the Association shall be vested in a Board of Directors consisting of not less than three (3) members (the "Board" or "Board of Directors"). The election of the Board of Directors shall be as provided in the By-Laws, a copy which is attached hereto as Exhibit "A" and incorporated herein by reference. Notwithstanding anything to the contrary, until such time as all Lots, including all Lots in any additional phases annexed into Heather Springs, have been fully developed, permanent improvements constructed thereon and sold to permanent residents, the Board shall consist of the Declarant and/or its designees which shall be designated in Declarant's sole and absolute discretion. The Declarant may at any time in its sole discretion elect to waive the right to act as or designate the directors. Every grantee of any interest in the Property, by acceptance of a deed or other conveyance of such interest, agrees that Declarant shall have the authority to act as or designate the directors in accordance with the foregoing. Upon the expiration of the period of Declarant's right to act as or designate the directors, which, in Declarant's sole discretion, shall be one year from the date of sale of the last Lot unless assigned by Declarant at an earlier time (such period of time being the "Development Period"), such right shall automatically pass to the Members, including Declarant if Declarant then owns one or more Lots, and a special meeting of the Association shall be called at such time. At such special meeting the Members shall elect a new Board pursuant to the By-Laws which shall undertake the responsibilities of the Board, and Declarant shall deliver all books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during such period and which Declarant has in its possession. At the special meeting, the presence at the meeting of Members or proxies entitled to cast fifty percent (50%) of the total vote of the membership shall constitute a quorum. In the event the required quorum is not present at any such meeting, a second meeting may be called, subject to the giving of proper notice, and the presence of twenty-five percent (25%) of the total vote of the membership shall constitute a quorum for such second meeting. Any such second meeting must be held within sixty (60) days of the first meeting when the required quorum was not present. Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements for such "duly called meeting" which may be established by the By-Laws of the Association. For the purpose of this section, "proper notice" shall be deemed to be given to each Member not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting at which any proposed action is to be considered.

4. Proxies. All Members of the Association may vote and transact business at any meeting of the Association by proxy authorized in writing.

No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of Common Properties or abandonment of his Lot and Townhouse.

The first annual assessment shall be adjusted according to the number of months then remaining in that fiscal year. Declarant shall not be responsible for assessments on Lots owned by Declarant. In the event the Board shall fail to fix the amount of annual assessment as described above, the assessment fixed for the immediately preceding year shall continue in effect until a new assessment amount is fixed. The due dates shall be established by the Board.

3. Purpose of Regular Annual Assessment. The Regular Assessments shall be levied by the Board of Directors of the Association and shall be payable as determined by the Board. The Regular Assessments levied shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Lots and in particular for the acquisition, improvement and maintenance of Heather Springs, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Commons Properties; the operation, maintenance and repair of the Recreational Facilities, if any; the maintenance of water and sewer mains in and upon the Common Properties; the maintenance of open spaces, of roads and streets which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way), drives and parking areas within the Common Properties; the procurement and maintenance of insurance in accordance with the By-Laws; the maintenance of any "sign easement" areas located on any Lot, as shown on a recorded plat; the maintenance of entranceways, landscaping and lighting of Common Properties, road medians, and islands and entranceways, the lighting of streets (whether public or private); the maintenance of the other amenities, if any; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Properties; the cost for providing (i) periodic exterior Townhouse cleaning and painting, (ii) landscaping to the Lot, (iii) replacement of roofs when such need for replacement results from normal wear and tear due to aging, (iv) and maintenance and upkeep of the landscaping in the front and side yard of each Lot which shall be limited to the periodic cutting of the lawn unless otherwise designated by the Association; the costs associated with duties of the Architectural Control Committee; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise

In mailing out the notice of such meeting, the Association shall include in the notice one statement from those Directors favoring the Special Assessment and one statement from the Directors opposing the special assessment (if any), containing the reasons for those Directors' support and opposition for the assessment. Neither statement shall exceed two (2) pages in length.

In the event any Owner shall fail to fulfill his/her/its obligations under Article VI hereof, and the Association shall fulfill any of such obligations for such Owner, the Association shall be entitled to specially assess such Owner, without the requirement of a vote, for all costs incurred by the Association in performing such service.

5. Notice and Quorum Requirements. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 of this Article VI shall be sent to all Members not less than ten (10) days nor more thirty (30) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast a majority of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

6. Reserve Funds. The Association may establish reserve funds from its Assessments to be held in reserve in an interest-bearing account or investments as a reserve for: (a) major rehabilitation, major repairs, or major maintenance; and (b) for emergency and other repairs required as a result of storm, flood, wind, natural disaster or other casualty loss.

7. Certificate of Payment. The Association shall upon demand at any time furnish to any Owner liable for any Regular or Special Assessment, a certificate in writing signed by an officer of the Association, setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence against all but the Owner of payment of any assessment therein stated to have been paid.

8. Effect of Non-payment of Assessment; The Personal Obligation of the Owner; The Lien; Remedies of Association. If the annual Regular Assessment or any Special Assessment is not paid by an Owner on or before its past-due date, then such assessment shall become delinquent, shall bear interest from the past due date until paid at the rate of the lesser of (i) fifteen percent (15%) per annum, or (ii) the highest rate permitted by law, and shall automatically and immediately (together with interest thereon as provided herein and all costs of collection, including attorney's fee) become a charge and continuing lien on the Lot, and/or Townhouse against which each such delinquent assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives, Tenant, successors and assigns.

If the assessment is not paid within thirty (30) days after the past-due date, the Association may, at its election, bring an action to foreclose its lien on the property or bring an action at law against the Owner personally. If a delinquent assessment is put in the hands of an attorney-at-law for

collection, there shall be added to the amount of such assessment all costs of collection, including, but not limited to, fifteen percent (15%) of the amount of the delinquent assessment and all interest thereon, and all reasonable attorney's fees and costs. No owner may waive or otherwise escape liability for the assessment provided herein by non-use of the Common Properties or abandonment of his Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein. Mortgagees shall not be required to collect assessments.

9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which becomes due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage.

10. Annual Statements. The president, treasurer or such other officer as may have custody of the funds of the Association shall annually, within ninety (90) days after the close of the fiscal year of the Association, prepare and execute under oath a general itemized statement showing the actual assets and liabilities of the Association at the close of such fiscal year, and a statement of revenues, costs and expenses. It shall be necessary to set out in the statement the name of any creditor of the Association, provided, however, that this requirement shall be construed to apply only to creditors of more than \$250.00. Such officer shall furnish to each Member proof the Association who may request in writing, a copy of such statement within thirty (30) days after receipt of such request. The initial Architectural Control Committee shall be appointed by the Declarant. Provided that nothing herein contained shall be construed to permit interference with the development of the Property by the Declarant so long as said development follows the general plan of development of the Property previously approved by the appropriate governmental entity. Notwithstanding anything herein to the contrary, up to one year after the last Lot is sold by Declarant, Declarant may approve any plans and specifications rejected by the Board or the Architectural Control Committee for the construction of initial improvements on any Lot provided the initial improvements are approved by the appropriate governmental entity. EVERY PERSON WHO SUBMITS PLANS AND SPECIFICATIONS TO THE ARCHITECTURAL CONTROL COMMITTEE FOR APPROVAL AGREES, BY SUBMISSION OF SUCH PLAN AND SPECIFICATIONS, AND EVERY OWNER OF ANY LOT AGREES, THAT HE WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, ASSOCIATION, ITS BOARD MEMBER OR OFFICERS, OR ANY MEMBER OF THE ARCHITECTURAL CONTROL COMMITTEE, TO RECOVER ANY SUCH DAMAGES, AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.**

If any structure shall be erected, placed, maintained or altered upon any Lot, other than in accordance with plans and specifications approved by the Architectural Control Committee pursuant to the provisions of this Article, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article. If, in the opinion of

the Declarant, or the Board of Directors of the Association upon recommendation of the Architectural Control Committee, such violation shall have occurred, the Board of Directors shall provide written notice to the Owner of such Lot by certified mail, setting forth the nature of the violation and the specific action required to remedy the violation. Any such required remedial action shall be consistent with guidelines then maintained by the Architectural Control Committee. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Board of Directors of the Association shall have the right to proceed at law or in equity for the recovery of damages, or for injunctive relief, or both.

No noxious or offensive activity shall be carried on

No Owner shall allow any disturbing noises on such Owner's Lot to interfere with the rights, comforts or conveniences of other owners. #### ARTICLE IX INSURANCE AND RECONSTRUCTION

1. Owner Must Provide Insurance of Townhouse. Each Owner shall, at his own expense, insure said Owner's Townhouse including, but not limited to, the roof and all other insurable improvements on such Owner's Lot in an amount not less than the then current maximum insurable replacement value thereof. Such coverage shall afford protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsements and such other risks as from time to time customarily shall be covered with respect to buildings similar in construction, location and use, including, but not limited to, vandalism, malicious mischief, windstorm and water damage.

All policies will contain a standard mortgagee clause, or equivalent endorsement (without contribution), which is commonly accepted by institutional mortgage investors in the area in which the development is located, and which appropriately names all mortgagees or their servicer in such form as requested by such mortgagees or their servicer.

All policies will be written with a company holding a general policyholder rating of "A" or better by Best's Insurance Reports and in a financial category of Class VI or better in Best's Key Rating Guide. Policies may not be cancelable or substantially modified by any party without at least thirty (30) days prior written notice to the Association and each mortgagee which is listed as a scheduled holder of a first mortgage in the insurance policy.

Each Owner shall obtain additional insurance at his own expense for contents and personal property; provided, however, that no Owner will be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association, on behalf of all of the Owners and their mortgagees, may realize under any insurance policy which the Association, in its discretion, may have in force at any particular time. Any diminution in insurance proceeds otherwise payable under the Association's policies that results from the existence of any Owner's policy will be chargeable to the Owner who acquired such other insurance. Each Owner who obtains an individual insurance policy covering any portion of a Townhouse, other than the personal property belonging to such Owner, will file a copy of such policy with the Association within thirty (30) days after purchasing such insurance. Each Owner, at his own expense, may obtain on his Townhouse or the contents thereof, title insurance, homeowner's liability insurance, theft and other insurance covering improvements, betterment and personal property damaged and lost. In addition, risk of loss with respect to any improvements made by an Owner within his Unit shall be that of the Owner. Betterments coverage or "improvements, insurance" shall be secured solely by an Owner wishing such coverage of his risk of loss, and the Association shall have no liability therefor.

2. Liability Insurance. The Association will obtain, maintain and pay the premiums, as part of the Assessments, a policy of comprehensive general liability insurance coverage covering at a minimum all of the Common Properties. Coverage limits will be in amounts generally required by private institutional mortgage holders for projects similar in construction, location and use to the development; provided, however, that such coverage will be for at least \$1,000,000 for bodily injury, including death of persons, and property damage arising out of a single occurrence. Coverage under this policy will include, without limitation, legal liability to the insured for property damage, bodily injury and death of persons in connection with the operation, maintenance and use of the Common Properties and legal liability arising out of law suits related to employment contracts in which the Association is a party. If the policy does not include "severability of interest" in its terms, an endorsement will be included which precludes the insurer's denial of the claims of an Owner because of the negligent acts of the Association or another Owner. Such policy must provide that it cannot be canceled or substantially modified, by any party, without at least thirty (30) days prior written notice to the Association and each mortgagee listed as a scheduled holder of a first mortgage in the insurance policy.

3. Reconstruction or Repair of Damaged Townhouses. If any Townhouse shall be damaged by casualty, the Owner of such Townhouse shall promptly reconstruct or repair it so as to restore such Townhouse nearly as possible to its condition prior to suffering the damage. All such reconstruction and repair work shall be done in accordance with plans and specifications therefor, approved by the Association. Encroachments upon or in favor of, Townhouses or Lots, which may be necessary for or created as a result of such reconstruction or repair, shall not constitute a claim or basis of a proceeding or action by the Owner on whose Townhouse or Lot such encroachment exists, provided that such reconstruction or repair is done substantially in accordance with the plans and specifications approved by the Association or as the building was originally constructed. A number of Townhouses constructed on the Lots appear from the exterior to have a common party wall with the or Townhouses constructed on contiguous Lots. However, all Townhouses have been constructed with separate exterior stud walls where there appears to be a party wall. The boundary line between these Lots runs along the air space between any such Townhouses. This air space has been concealed on the exterior by covering it with facie boards which are common to both Townhouses. The exterior of the two walls on either side of this small air space are unfinished so that if one of the Townhouses is destroyed and not rebuilt, an unsightly condition will exist. Therefore, if a structure is destroyed in whole or in part, and the Owner thereof elects not to rebuild, such Owner shall be responsible for the cost of finishing the exterior of those walls on contiguous Townhouses which are unfinished and which are exposed to view as the result of such destruction. The finish placed on these exterior walls shall be subject to the approval of the Declarant and shall be compatible with the finish of the other visible exterior walls of the structure. In addition, the Owner of the damaged or destroyed structure shall be responsible for the cost of immediately weatherproofing the exposed unfinished walls of contiguous Townhouses, if necessary.

4. Decision Not to Reconstruct. An Owner shall not be required to reconstruct a damaged Townhouse only in such event as 80% or more of the Townhouses in Heather Springs are rendered uninhabitable by such casualty.

## ARTICLE X MAINTENANCE

1. Owner's Responsibility. Unless specifically identified herein as being the responsibility of the Association, all maintenance and repair of a Lot, together with all portions of the Townhouse, and other improvements thereon shall be the responsibility of the Owner of such Lot. The responsibility of each Owner shall include the maintenance, repair, and replacement of all siding, exterior doors, fixtures, equipment, and appliances (including, without limitation, the heating and air-conditioning system for his Townhouse) and all chutes, flues, ducts, conduits, wires, pipes, plumbing or other apparatus which are deemed to be a part of his Lot. The responsibility of the Owner shall also include the maintenance, repair, and replacement of all glass, lights and light fixtures (exterior and interior), awnings, window boxes, window screens, and all screens or glass-enclosed porches, balconies, or decks which are a part of the Townhouse. Except as provided for in Article IV, Section 2, each Owner shall perform such maintenance and repairs as may be necessary to maintain the roof of such Owner's Townhouse in a good state of repair.

In addition, each Owner shall be responsible for replacing the roof of said Owner's Townhouse as such need is caused by a hazard which is normally covered under the Owner's hazard insurance or which is required under this Declaration. Each Owner shall maintain and keep the exterior and grounds of his Townhouse in good, neat, clean and sanitary condition and such responsibility shall include the maintenance and care of all lawns, trees, shrubs, hedges, grass, and other landscaping contained within such Lots other than those responsibilities of the Association as set forth in Article IV, Section 2. Each Owner shall also be obligated to pay for the costs incurred by the Association for repairing, replacing, maintaining, or cleaning any portion of the Lot, Townhouse which is the responsibility of the Owner under this Declaration, but which responsibility such Owner fails or refuses to discharge; the Association may specially assess the Owner for any amounts expended by the Association to discharge the responsibility of the Owner defined herein. In the event of any such assessment as herein provided and the non-payment by the Owner within 30 days after notice and demand from the Association, the Association shall have the rights set forth in Article VI, Section 7 hereof.

## ARTICLE XI GENERAL PROVISIONS

1. Easement for Encroachment. If any portion of a Townhouse now encroaches upon any other Townhouse or Lot as a result of the construction of the buildings, or if any such encroachment shall occur hereafter as a result of settling or shifting of the buildings, there shall exist a valid easement for these encroachments and for the maintenance of same so long as the buildings stand.

2. Enforcement of Covenants. In the event of a violation or breach of any of the restrictions contained herein by any Owner or agent of such Owner, the Owners of Lots in Heather Springs, or any of them, jointly or severally, shall have the right to proceed at law or in equity to compel compliance with the terms hereof and to prevent the violation or breach of any such covenant. In addition to the foregoing, Declarant or the Association shall have the right, wherever there shall have been built or put in place on any Lot in Heather Springs any structure or landscaping in violation of these restrictions, to enter upon such Lot where such violation exists and summarily abate or remove the same at the expenses of the owner if, after thirty (30) days written notice of such violation, it shall not have been corrected by the Owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any rights, reservations, restrictions, or conditions contained in this Declaration, regardless of how long such failure shall continue, shall not constitute a waiver of or a bar to such right to enforce.

3. Reservation of Easement. The Declarant hereby reserves unto itself, its successors and assigns, a perpetual, alienable and releasable easement and right on, over and under the ground to erect, maintain and use electric service, community television antenna, and telephone poles, wires, cables, conduits, drainage ways, sewers, water mains, sprinkler systems, and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water, storm drainage or other public conveniences or utilities on, in or over those portions of such Property as may be reasonably required for utility line purposes; provided, however, that no such utility easement shall be

applicable to any portion of such Property as may (a) have been used prior to the installation of such utilities for construction of a building; or (b) such portion of the Property as may be designated as the site for a Townhouse. These easements and rights expressly include the right to cut any trees, bushes and shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, safety and appearance. The Declarant further reserves the right to locate wells, pumping stations, siltation basins, retention and detention ponds, and tanks within Heather Springs in any open space or on any portion of the Property designated for such use on the applicable plat of said Property, or to locate same upon any portion of the Property. Such rights may be exercised by a licensee of the Declarant, but this reservation shall not be considered an obligation of the Declarant to provide or maintain any such utility or service. Following the installation of any utility apparatus or other improvement on any portion of the Property pursuant to the provisions of this paragraph, the Declarant shall restore such portions of the Property as nearly as is reasonably possible to its condition immediately prior to such installation.

The Association shall have the power and authority to grant and establish upon, over and across the Common Properties such additional easements as are necessary or desirable for the providing of service or utilities to the Common Properties or Lots.

4. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, the Declarant or any Owner, their respective legal representatives, heirs, successors, and assigns, for a period of twenty (20) years from the date this Declaration is recorded. Upon the expiration of said twenty (20) year period, this Declaration shall be automatically renewed and extended for successive ten (10) year periods. The number of ten (10) year renewal periods hereunder shall be unlimited and this Declaration shall be automatically renewed and extended upon the expiration of each ten (10) year renewal period for an additional ten (10) year period; provided, however, that there shall be no renewal or extension of this Declaration if, during the last year of the initial twenty (20) year period or during the last year of any subsequent ten (10) year renewal period, Two-thirds (2/3rds) of the votes cast at a duly held meeting of the Association vote in favor of terminating this Declaration at the end of its then current term and all holders of first priority deeds to secure debt of any Owner or successor to such Owner consent in writing to the termination of this Declaration. It shall be required that written notice of any meeting at which such a proposal to terminate this Declaration is to be considered, setting forth the fact that such a proposal will be considered, shall be given each Member at least thirty (30) days in advance of said meeting. In the event that the Members of the Association vote to terminate this Declaration, the president and secretary of the Association shall execute a certificate which shall set forth the resolution of termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted, the date that notice of such meeting was given, the total number of votes of Members of the Association, the total number of votes required to constitute a quorum at a meeting of the Association, the number of votes necessary to adopt a resolution terminating this Declaration, the total number of votes cast in favor of such resolution, and the total number of votes cast against such resolution. Said certificate shall be recorded in the Office of the Register of Deeds (ROD) for Richland County, South Carolina, and may

be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration.

5. Amendments. Declarant specifically reserves the right to amend this Declaration, or any portion hereof, on its own motion without the consent of any other Owners for so long as Declarant owns at least one (1) Lot in Heather Springs. In all other instances, the procedure for amendment shall be as follows: All proposed amendments shall be submitted to a vote of the Members at a duly called meeting of the Association and any such proposed amendment shall be deemed approved if two-thirds (2/3rds) of the votes cast at such meeting vote in favor of such proposed amendment. Notwithstanding any provision herein to the contrary, this Declaration shall not be amended without the express written consent of Declarant until Declarant's rights under Article III, Section 6 have expired.

6. Notices. Any notice required to be sent to any Member under the provisions of the Declaration shall be deemed to have been properly sent and notice thereby given when personally delivered or when mailed, with the proper postage affixed, to the address appearing on the Association's Membership list. Notice to one of two or more co-owners or co-tenants of a Lot shall constitute notice to all co-owners. It shall be the obligation of every Member to immediately notify the secretary of the Association, in writing, of any change of address. Any person who becomes a Member following the first day in the calendar month in which said notice is mailed, shall be deemed to have been given notice if notice was given to his predecessor in title.

10. Limited Liability. In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from the Association contemplated under this Declaration, neither Declarant nor the Association, nor any director or officer thereof, shall be liable to an Owner or to any other person on account of any claim, liability, damage or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way relating to the subject matter of any such reviews, acceptances, inspections, permissions, consents or required approvals, whether given, granted or withheld.

11. Termination of Association. In the event that this Declaration be declared to be void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any Court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, or if the Members of the Association should vote not to renew and extend this Declaration as provided for in Article VIII, Section 1, all of the Common Properties owned by the Association at such time shall be transferred to a Trustee appointed by the Master-In-Equity for Richland County, South Carolina, which Trustee shall own and operate said Common Properties for the use and benefit of Owners within Heather Springs as set forth below:

ARTICLE IV  
MEETING OF MEMBERS

Section 1. Annual Meetings. The first annual meeting of the Members shall be held at a time, date, and place established by the Declarant within twelve (12) months after the organization of the Association. Subsequent annual meetings of the Members shall be held at a time, date and place established by the Board of Directors each year so long as no annual meetings of the Members shall be scheduled on a legal holiday. Until one (1) year after the last Lot, including all Lots in any additional phases annexed into Heather Springs, has been fully developed, permanent improvements constructed thereon and sold to permanent residents (such period of time being hereinafter referred to as the "Development Period"), the Board shall consist of the Declarant and/or its designees, which shall be designated in Declarant's sole discretion, and the only purpose of the annual meeting(s) will be (1) to serve as a town forum in which the President and Officers report on and answer reasonable questions concerning the activities and financial condition of the Association; and (2) consider matters raised consistent with the requirements of the South Carolina Non-Profit Corporation Act, S.C. Code Ann. § 33-31-101 et seq., hereinafter referred to as the "Act."

Section 2. Special Meetings. Special Meetings of the Members may be called at any time by the Declarant, President or by the Board of Directors, or as prescribed under the Act. Only those

matters that are within the purpose or purposes described in the meeting notice may be conducted at a special meeting.

Section 3. Notice of Meetings. Written notice in English specifying the place, day and hour of the meeting of the Members, and, in the case of the special meeting, the notice shall also specify the purpose of the special meeting and the description of the matter for which the meeting was called. Notice of meetings shall be given by any fair and reasonable manner. The mailing of a copy of such notice of a special or annual meeting by first class mail or registered mail, postage prepaid, at least ten (10) days (or if notice is mailed by other than first class or registered mail, at least thirty (30) days) and not more than sixty (60) days before such meeting date to each Member entitled to vote at the meeting, including the Declarant, addressed to the Members' address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice shall be considered fair and reasonable. The notice requirement may be waived by a Member before or after the date and time of the meeting as stated in the notice. The waiver must be in writing, be signed by the Member and be delivered to the Association for inclusion in the minutes of the meeting, except that the attendance of a Member at a meeting waives notice unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting. Also, an emergency meeting may be called with a twenty-four (24) hour notice to those Members entitled to vote, upon the unanimous vote of the Association's Board in the event an issue requires the immediate attention of the Members of the Association. If a meeting of Members is adjourned to a different date, time, or place, notice need not be given of the new date, time or place, if (1) the new date, time, or place is announced at the meeting before adjournment and (2) the record date fixed pursuant to Section 9 of

this Article for the adjourned meeting is not changed for the new meeting (either voluntarily by the Board or as required under the Act).

Section 4. Quorum. The presence at a meeting of Members entitled to cast, or of proxies entitled to cast, one-tenth (1/10) of the votes of each class of Membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws. If, however, such quorum shall not be present or represented at any meeting, the Members present shall have power to adjourn the meeting from time to time, without notice as long as the requirements of Section 3 of this Article are met. The quorum at the new meeting shall be reduced to five percent (5%) of each Class of Members.

Section 5. Proxies. Votes may be cast in person or by proxy. All appointment of proxies shall be by written appointment form, signed either personally or by an attorney-in-fact and filed with the Secretary prior to the vote being taken at the meeting in the case of a vote that is taken at a scheduled meeting (or such other time set out on the appointment form or meeting notice) and by the deadline established by the appropriate notification of a vote to be taken in any other manner. Except as otherwise allowed herein or by written authorization of the Board of Directors of the Association, no appointment form shall confer on the proxy a broader authority than to vote on the matter(s) or at the meeting(s) than is defined on the appointment form. Every proxy shall be revocable at the pleasure of the Owner, up to the time that the vote for which it was issued is cast and shall automatically cease upon conveyance by the Owner of that Lot. The proxy shall automatically cease upon the Member (i) attending any meeting and voting in person, (ii) the Member signing and delivering to the Secretary in writing a notice revoking the appointment, (iii) or by receipt of notice the death of the Member prior to the proxy casting a vote.

Section 6. Parliamentary Rules. Robert's Rules of Order (latest edition) or such other rules as the Board of Directors may adopt shall govern the conduct of corporate proceedings when not in conflict with the Declaration, the Articles of Incorporation, these By-Laws or with the statutes of the State of South Carolina.

Section 7. Failure to Hold Meetings. The failure to hold an annual or regular meeting at a time stated in or fixed in accordance with these By-Laws does not affect the validity of a corporate action.

Section 8. Authorization to Vote and Notice by Owner. It shall at all times be the responsibility of any Owner to keep current with the Association, the name and address of the person authorized to cast the vote assigned to that Lot or Townhome and to receive notification from the Association as to any meetings which the Association may be required to send. Proof of the authority to receive notice and to vote shall be presented to the Association in the form of a certificate signed by the Owner. Such certificate shall be deemed valid until revoked by a subsequent certificate.

Section 9. Record Date. The Board of Directors shall set the record date for determining the Members entitled to notice of a Members meeting; to vote at a Members meeting; and to exercise any rights in respect of any other lawful action. The record date shall not be more than seventy (70) days before the meeting or action requiring a determination of the Members occurs.

Section 10. Voting Requirements. Unless otherwise required in these By-Laws, the Declaration, the Articles of Incorporation, or the law, the affirmative vote of the votes represented and voting, which affirmative vote also constitutes a majority of the required quorum, is the act of the Members.

Section 11. Action by Written Ballot. Any action that may be taken at any annual, regular or special meeting of Members may be taken without a meeting if the Association delivers a written ballot to every Member entitled to vote on the matter and the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at the meeting.

ARTICLE V  
BOARD OF DIRECTORS; SELECTION; TERM OF OFFICE

Section 1. Number & Types. The affairs of this Association shall be managed by a Board of Directors of not less than three (3) Directors, who need not be Members of the Association; provided, however, that during the Development Period (and as described above) the Declarant and/or its designees shall act as Directors unless the Declarant voluntarily waives its appointment power and authorizes the Association to elect Directors in accordance with these By-Laws. At any time during the Development Period the Declarant may increase or decrease the number of Directors of the Association so long as the rest of the terms of these By-Laws are adhered to. All Directors who are also Members must be in good standing with the Association in order to seek election to, or continue to hold a position on, the Board of Directors.

Section 2. Term of Office. At the first annual meeting after the termination of the Declarant's Class B votes, the Members will elect five (5) Directors for staggered terms in accordance with Article VI, Section 2 of these By-Laws.

Section 3. Removal. At any time, any Director(s) appointed by the Declarant may be removed from the Board, with or without cause, by the Declarant by giving written notice of removal

to the Director and either the presiding officers of the Board of Directors or the Association President or Secretary. Any Director(s) elected by the Association may be removed from the Board of Directors, with or without cause, by the affirmative casting of a majority (51%) of all of the votes of the Association. Any Director(s) who is a Member and who is not in good standing with the Association, or who misses three (3) consecutive Board meetings (unless such absence shall have been excused by the President of the Association or other person(s) authorized to do so), may be immediately removed from the Board of Directors by the remaining Board members and replaced in accordance with these By-Laws. In the event of death, resignation, or removal of a Director, a successor shall be selected by the Declarant, if that Director was appointed by the Declarant, or the remaining Members of the Board of Directors, if elected by the Members of the Association and shall serve for the unexpired term of his predecessor.

Section 4. Compensation. Compensation of any Director shall require the affirmative casting of a majority (51%) of all of the Class A and B votes. This provision shall in no way require the Members approval of or preclude the Board of Directors from compensating a Director for his duties as an officer of the Association, from employing a Director as an employee of the Association, or shall it preclude the Association from contracting with and thereafter compensating a Director for the management of the Association.

Section 5. Action Taken Without a Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of a majority (51%) of the Directors, which shall represent a quorum. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

Section 6. Reversal of Board of Directors. A decision of the Board of Directors, an officer or a committee of the Association may be reversed or modified by the Declarant as long as the Declarant owns any portion of the Property.

ARTICLE VI  
NOMINATION AND ELECTION OF DIRECTORS

Section 1. Nomination. Except where Directors are appointed or replaced by the Declarant or the Board of Directors, nomination for election for the Board of Directors shall be made by a nominating committee (the "Nominating Committee") or as specified in guidelines set forth by the Board of Directors. For purposes of the first Annual Meeting, the Nominating Committee, when created, shall consist of a Chairman and at least two (2) more Members of the Association. For purposes of any and all Annual Meetings other than the first Annual Meeting, at least one member of the Nominating Committee shall be a member of the Board of Directors. The Nominating Committee shall be appointed by the Board of Directors. Members of the Nominating Committee shall serve from the close of the annual meeting until the close of the next annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations may be made from among Members or non-Members.

Section 2. Election. Unless agreed to otherwise by the affirmative vote of a majority (51%) of Members entitled to vote and present at the meeting, election to the Board of Directors shall be by secret ballot. At such election, the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of these By-Laws and the Declaration. At the first annual meeting after the termination of the Declarant's Class B votes, the

Members shall elect five (5) Directors: two (2) Directors for a term of one (1) year, two (2) Directors for a term of two (2) years, and one (1) Director for a term of three (3) years; and at each annual meeting thereafter, the Members shall elect successor Directors for terms of three (3) years. The term of any Director shall be automatically extended and shall not expire until the annual meeting at which a successor for that Director is elected. The person(s) receiving the largest number of votes shall be elected. If no nominee(s) are nominated pursuant to these By-Laws, that (or those) Director(s) shall be appointed by the current Board of Directors of the Association. Cumulative voting, voting more than one (1) time for any Director, is not permitted under any circumstance.

#### ARTICLE VII MEETING OF DIRECTORS

Section 1. Regular Meetings. Until the end of the Declarant's Class "B" Membership, regular meetings of the Board of Directors shall be held at dates, times and places and as frequently as is deemed prudent by the Declarant. Upon the end of the Declarant's Class "B" Membership, regular meetings of the Board of Directors shall be held quarterly, or more frequently, and at dates, times and places determined by a majority (51%) of the Board of Directors. Without the approval of all of the Directors, no meeting shall fall upon a legal holiday. No notice shall be required for regular meetings.

Section 2. Special Meetings. Special Meetings of the Board of Directors shall be held when called by the President of the Association or any two (2) Directors, after not less than two (2) days notice is given, either personally, by mail, or by telephone, to each Director, unless waived in writing signed by the Director or by attendance of the meeting without objection or participation.

Section 3. Quorum. A majority (51%) of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision authorized by a majority (51%) of the

Directors either by written consent or when present at a duly held meeting at which a quorum is present shall be regarded as an act of the Board.
