DECLARATION OF PROTECTIVE COVENANTS

FOR

Fallbrook Subdivision

THIS DECLARATION is made on the date hereinafter set forth by Belo Development, LLC, a South Carolina limited liability company, hereinafter referred to as "Declarant".

Background Statement

Declarant is the owner of the real property described in Article II, Section 1 of this Declaration. Declarant desires to subject the real property described in Article II, Section 1 hereof to the provisions of this Declaration to create a residential community of single-family housing and to provide for the subjecting of other real property to the provisions of this Declaration.

NOW, THEREFORE, Declarant hereby declares that the real property described in Article II, Section 1 of this Declaration, including the improvements constructed or to be constructed thereon, is hereby subjected to the provisions of this Declaration and shall be held, sold, transferred, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments, and liens, hereinafter set forth, which are for the purpose of protecting the value and desirability of, and which shall run with the title to, the real property hereby or hereafter made subject hereto, and shall be binding on all persons having any right, title, or interest in all or any portion of the real property now or hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title, and assigns and shall inure to the benefit of each and every owner of all or any portion thereof.

ARTICLE I DEFINITIONS

Unless the context shall prohibit, certain words used in this Declaration shall be defined as set forth in Exhibit "A", attached hereto and by reference made a part hereof.

ARTICLE II PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Property Hereby Subjected To This Declaration. The real property described in Exhibit "B," attached hereto and by reference made a part hereof, is, by the recording of this Declaration, hereby subject to the covenants and restrictions hereafter set forth and shall be held, transferred, sold, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to this Declaration.

Section 2. Other Property. Only the real property described in Section 1 of this Article II is hereby made subject to this Declaration; provided, however, by one (1) or more Supplementary Declarations, Declarant has the right, but not the obligation, to subject other real property to this Declaration, as hereinafter provided but provided that if such other property is made subject to this Declaration, Declarant reserves the right to amend Article VI as it applies to the additional property only. By purchasing a Lot in the Community, each Owner acknowledges that Declarant or its affiliates own property adjacent to or in the vicinity to the Community and that Declarant is under no obligation to

subject such property to this Declaration and that such property may be developed in any manner whatsoever for commercial, residential or mixed use.

ARTICLE III
ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot. Members shall be entitled to one (1) vote for each Lot owned. Votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws, Membership shall be appurtenant to and may not be separated from ownership of any Lot.

ARTICLE IV
ASSESSMENTS

Section 1. **Purpose of Assessment.** The assessments provided for herein shall be used for the general purposes of promoting the common benefit and enjoyment of the Owners and Occupants of Lots, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Section 2. **Creation of the Lien and Personal Obligation for Assessments.** Each Owner of any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, jointly and severally, covenants and agrees to pay to the Association: (a) annual assessments or charges; (b) special assessments, such assessments to be established and collected as hereinafter provided; and (c) specific assessments against any particular Lot which are established pursuant to the terms of this Declaration, including, but not limited to, reasonable fines as may be imposed in accordance with the terms of this Declaration. All such assessments, together with late charges, interest, not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due, and costs, including, without limitation, reasonable attorney's fees actually incurred, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made in favor of the Association and the Association shall be entitled to file a document evidencing such lien in the land records of the county in which the Lot is located. Such lien shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; or (b) liens for all sums unpaid on a first Mortgage or on any Mortgage to Declarant duly recorded in the land records of the county where the Community is located and all amounts advanced pursuant to such Mortgage and secured thereby in accordance with the terms of such instrument. All other Persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded in such records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

Each such assessment, together with late charges, interest, costs, including, without limitation, reasonable attorney's fees actually incurred, shall also be the personal obligation of the Person who was the Owner of such Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance;

provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings or deed in lieu of foreclosure.

The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot shall be binding upon the Association as of the date of issuance.

Annual assessments shall be levied at a uniform rate per Lot and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice, of the annual assessment for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in annual installments.

Section 3. Computation. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which may, if applicable, include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the budget and the assessments to be levied against each Lot for the following year to be delivered to each member at least thirty (30) days prior to the end of the current fiscal year (or, if the assessment has not been established at the time an Owner purchases such Owner's Lot, at least thirty (30) days prior to the due date of the first installment in the case of the initial budget). The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 4. Special Assessments. In addition to the other assessments authorized herein, the Association may levy special assessments from time to time if approved at a meeting by two-thirds (2/3) of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

Section 5. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in an amount as the Board may from time to time determine. The Association may cause a notice of delinquency to be given to any member who has not paid within ten (10) days following the due date. If the assessment is not paid within thirty (30) days, a lien, as herein provided, shall attach and, in addition, the lien shall include interest, not to exceed the lesser of the maximum rate permitted by law or eighteen percent (18%) per annum on the principal amount due from the date first due and payable, all late charges, all costs of collection, including, without limitation, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts and/or to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association,

acting on behalf of the Owners, shall have the right, but not the obligation, to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

Section 6. **Date of Commencement of Assessments.** The assessments provided for herein shall commence as to a Lot subject to this Declaration on the first day of the month following the conveyance of such Lot. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual assessment may be adjusted according to the number of months then remaining in that fiscal year.

Section 7. **Specific Assessments.** The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to Article XII, Section 1 of this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible under Article V, Sections 1 and 2 of this Declaration shall be specific assessments. The Board may also specifically assess Owners for the following Association expenses:

(a) all expenses of the Association may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and

(b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

Section 8. **Budget Deficits During Declarant Control.** For so long as Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year, and such advances shall be evidenced by promissory notes from the Association in favor of Declarant or such builder, as applicable; or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Community. Declarant in its sole discretion may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

ARTICLE V
MAINTENANCE; CONVEYANCE OF COMMON PROPERTY TO ASSOCIATION

Section 1. **Association's Responsibility.** The Association shall maintain and keep in good repair the Common Property. The maintenance of the Common Property shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. The Association shall also be responsible for maintenance of and all liability associated with all drainage detention and retention areas and devices originally maintained by Declarant, to the extent such responsibility has not been assumed on an ongoing basis by a local governmental entity. The Association shall also maintain: (a) all entry features for the Community, including the landscaping associated therewith (whether or not such landscaping is on a Lot or public right-of-way) and any irrigation system and the expenses for water and electricity, if any, for common areas; (b) streetscapes located at other street intersections within the Community; (c) all retaining walls located in the Community (d) streetlights installed by SCE&G, approved by the HOA.

In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, where the Board has determined that such maintenance would benefit all Owners.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered and paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot of such Owner.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard.

Section 2. **Owner's Responsibility.** Except as provided in Section 1 above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance shall include, without limitation, (i) otherwise caring for the dwelling and all other structures located on the Lot; and (ii) the pruning and trimming of all trees, hedges and shrubbery on a Lot so that the same are not obstructive of a view by motorists or pedestrians of street traffic. If the Board of Directors of the Association determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, if such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot. The remedies provided in this Section shall be in addition to, and not in lieu of, other remedies provided in this Declaration for a violation of the Declaration.

Section 3. Party Walls and Party Fences.

(a) **General Rules of Law to Apply.** Each wall or fence built as a part of the original construction on the Lots which shall serve and separate any two (2) adjoining Lots shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) **Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions.

(c) **Damage and Destruction.** If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the wall may restore it, and if the other Owner or Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) **Right to Contribution Runs With Land.** The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(e) **Arbitration.** In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

Section 4. Conveyance of Common Property to Association. Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its members. Neither Declarant nor any such builder shall be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

ARTICLE VI
USE RESTRICTIONS AND RULES

Section 1. General. This Article, beginning at Section 2, sets out certain use restrictions which must be complied with by all Owners and Occupants. These use restrictions may only be amended in the manner provided in Article XII, Section 4 hereof regarding amendment of this Declaration. In addition, the Board may, from time to time, without consent of the members, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless (a) modified or deleted by the Board as provided above, or (b) overruled, cancelled, or modified in a regular or special meeting by a majority of the Total Association Vote.

Section 2. **Residential Use.** All Lots shall be used for residential purposes exclusively. No business or business activity shall be carried on, in or upon any Lot at any time except with the written approval of the Board and so long as the business or business activity is in compliance with the zoning requirements where the Lot is located. Leasing of a Lot shall not be considered a business or business activity. However, the Board may, but not be obligated to, permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or Bylaws, does not create a disturbance and does not unduly increase traffic flow or parking congestion. The Board may issue rules regarding permitted business activities.

Notwithstanding the foregoing, under no circumstances shall any child or day care business (as hereinafter defined) be conducted or carried on, in or upon any Lot. A "child or day care business" is defined for the purposes hereof as a for profit child care facility or arrangement for three (3) or more children whether on a full-time, temporary, part time, seasonal, drop-in or after school basis, which facility or arrangement requires the issuance of a license under the South Carolina General Statutes and South Carolina Department of Health and Environmental Services rules and regulations.

Section 3. **Architectural and Landscaping Standards.** No exterior construction, alteration, addition, erection, surfacing, painting, finishing or landscaping of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, alteration, surfacing, painting, finishing or landscaping shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, color, texture and location shall have been submitted in writing to and approved by an Architectural Control Committee ("ACC"). The ACC may be established such that it is divided into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction. The Board may employ architects, engineers, or other Persons as it deems necessary to enable the ACC to perform its review. The ACC may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated. Written design guidelines and procedures may be promulgated for the exercise of this review, which guidelines may provide for a review fee. So long as Declarant owns any property for development and/or sale in the Community or has the right unilaterally to annex additional property to the Community, Declarant shall have the right to appoint all members of the ACC. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the ACC.

If the ACC fails to approve or to disapprove submitted plans and specifications within thirty (30) days after the plans and specifications have been submitted to it, the foregoing will be deemed approved. However, all activities commenced pursuant to such plans which have been deemed approved shall be consistent with such plans. In addition, no approval, whether expressly granted or deemed granted as provided herein, shall be inconsistent with this Declaration or any design guidelines promulgated by the Board unless a variance has been granted in writing pursuant to Article XII, Section 15 of this Declaration.

As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the ACC, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The ACC shall be the sole arbiter of such plans and may withhold approval for any reason, including purely

aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants or any other provisions of this Declaration have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in Article XII, Section 1 hereof, record in the appropriate land records a notice of violation naming the violating Owner.

PLANS AND SPECIFICATIONS ARE NOT APPROVED FOR ENGINEERING OR STRUCTURAL DESIGN OR QUALITY OF MATERIALS, AND BY APPROVING SUCH PLANS AND SPECIFICATIONS NEITHER THE ACC, THE MEMBERS THEREOF, NOR THE ASSOCIATION ASSUMES LIABILITY OR RESPONSIBILITY THEREFOR, NOR FOR ANY DEFECT IN ANY STRUCTURE CONSTRUCTED FROM SUCH PLANS AND SPECIFICATIONS. NEITHER DECLARANT, THE ASSOCIATION, THE ACC, THE BOARD, NOR THE OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS OF ANY OF THEM SHALL BE LIABLE IN DAMAGES TO ANYONE SUBMITTING PLANS AND SPECIFICATIONS TO ANY OF THEM FOR APPROVAL, OR TO ANY OWNER OF PROPERTY AFFECTED BY THESE RESTRICTIONS BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OR SPECIFICATIONS. EVERY PERSON WHO SUBMITS PLANS OR SPECIFICATIONS AND EVERY OWNER AGREES THAT SUCH PERSON OR OWNER WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, THE ASSOCIATION, THE ACC, THE BOARD, OR THE OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS OF ANY OF THEM TO RECOVER ANY DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY JUDGMENT, NEGLIGENCE, OR NONFEASANCE AND HEREBY WAIVES THE PROVISIONS OF ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

Listed hereinafter are guidelines which are not intended to be absolute and complete guidelines, but address certain critical areas which will be carefully considered by the Board in the approval or disapproval of an Owner's plans and specifications:

(a) Exterior Materials:

(i) Exterior materials shall be brick, stucco, stone, siding, or vinyl or plastic siding approved by the Board. No metal siding will be allowed, unless otherwise approved by the Board. No brick shall be painted.

(ii) Brick type: A brick sample must be submitted for approval to the Board, prior to the ordering of brick.

(iii) Chimneys: All chimneys must be as initially constructed, unless otherwise approved in writing by the Board.

(iv) Mortar: All mortar samples must be submitted for approval to the Board.

(v) Roofs: All flashing as well as roof stacks and plumbing vents, must be painted flat black; provided, however, that flashing constructed solely of copper may be left unpainted. Shingles shall be submitted for approval to the Board.

(vi) Stucco: All stucco samples must be submitted for approval to the Board.

(b) Exterior Colors: All exterior colors (brick, stucco, roof, paint, stain, vinyl or plastic siding etc.) must be submitted to the Board prior to application.

(c) Driveways and Walkways: All driveway and walkway surfaces must be paved concrete or asphalt finished.

(d) Garage Doors: Garage doors should be constructed in a manner and in a color to harmonize with the remaining construction of the residence, subject to approval by the Board.

Section 4. Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the ACC except (a) professional security signs consistent with the Community-Wide Standard, (b) any signs required by legal proceedings, (c) reasonable and appropriate signs erected by the Board, (d) builder marketing signs, and (e) signs erected by Declarant. In connection with a bona-fide offer to sell or lease a Lot or residence, one (1) professionally lettered "For Sale" or "For Rent" sign consistent with the Community-Wide Standard shall be permitted provided (i) the sign has a maximum area of six (6) square feet and a maximum height of four (4) feet above ground level, and (ii) the content of the sign states only that the Lot or residence is "For Sale" or "For Rent" and the name and telephone number of the person to contact for additional information. "For Sale" or "For Rent" signs including any additional information shall not be permitted in the Community. Notwithstanding anything provided herein to the contrary, no sign shall be displayed on or from within any structure on a Lot.

Section 5. Vehicles. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, trucks, campers, buses, vans, limousines and automobiles. Vehicles shall not be parked on the Common Property or on any portion of a Lot other than in the garage; provided, however, if, and only if, the Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Occupant's primary means of transportation on a regular basis may be parked in the enclosed garage on the Lot. All parking shall be subject to such rules and regulations as the Board may adopt. No parking is permitted on entrance drives or fire lanes.

Notwithstanding anything provided herein to the contrary, no towed vehicle, boat, boat trailer, recreational vehicle, motor home, mobile home, bus, truck with camper top, truck (except pick-up trucks and sport utility vehicles), commercial vehicle, motorcycle, minibike, scooter, go-cart or similar recreational vehicle shall be permitted on any Lot, except if kept in an enclosed garage, for periods longer than forty-eight (48) consecutive hours (the intent of this provision is that the aforementioned vehicles may not be stored on a Lot except if in a garage and the temporary removal of such vehicle from a Lot to break the continuity of the forty-eight (48) consecutive hours shall not be sufficient to establish compliance with this restriction). Any such vehicle shall be considered a nuisance and may be removed from the Community.

No vehicle may be left upon any portion of the Community, except in a garage, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. Any such vehicle shall be considered a nuisance and may be removed from the Community.

Section 6. **Leasing.** Lots may be leased for residential purposes only. All leases shall have a minimum term of at least six (6) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, Bylaws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing.

Section 7. **Occupants Bound.** All provisions of the Declaration, Bylaws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be levied against the Owner.

Section 8. **Animals and Pets.** No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, except that dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board, may be kept on a Lot. Notwithstanding the above, those pets which, in the sole discretion of the Board, endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners of any Lot or the owner of any property located adjacent to the Community, may be removed by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community. No structure for the care, housing or confinement of any animal shall be constructed, placed or altered on any Lot unless plans and specifications for such structure have been approved by the ACC as provided in Section 3 of this Article VI of the Declaration.

Section 9. **Nuisance.** It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on such Owner's Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.

Section 10. **Unsightly or Unkempt Conditions.** The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Community except in an enclosed garage.

Section 11. **Antennas.** The Board may issue rules regarding the erection of exterior antennas, including, without limitation, satellite dishes; provided such rules do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. Unless screened and located to provide minimum visual impact on neighboring properties and streets, no exterior antennas of any kind, including without limitation, satellite dishes, shall be placed, allowed, or maintained upon any portion of the Community, including any Lot; provided such screening and location do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. In no event shall any such antenna or satellite dish in excess of eighteen (18") inches in diameter be permitted in the Community except if installed by the Declarant or the Board as provided in this Section. Declarant and the Board shall have the right (but shall not be obligated), to erect a master antenna, satellite dish or other similar master system for the benefit of the entire Community. Each Owner and Occupant acknowledges that this provision benefits all Owners and Occupants and each Owner and Occupant agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received.

Section 12. **Tree Removal.** No trees that are more than four (4) inches in diameter at a point two (2) feet above the ground shall be removed without the prior written consent of the ACC except (a) dead or diseased trees, (b) trees that are located within ten feet of a drainage area, a sidewalk, a residence or a driveway, (c) trees removed by a builder during the original construction of a residence on a Lot, or (d) trees removed by Declarant.

Section 13. **Drainage.** Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves for the benefit of Declarant, any builder who has purchased any Lot(s) for the purpose of the construction of a residence thereon and the resale of such Lot(s) and residence(s), and the Association and their respective successors and assigns a perpetual easement across the Community property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 14. **Reserved.**

Section 15. **Garbage Cans, Woodpiles, Etc.** All garbage cans, woodpiles, and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property; provided, however, if rubbish, garbage or any other form of solid waste is to be disposed of by being collected on a regular and recurring basis, containers may be placed in the open on the evening before a pickup is to be made as necessary to provide access to Persons making such pick-up. All rubbish, trash, and garbage shall be regularly removed (no less frequently than weekly) and shall not be allowed to accumulate. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Community, except by Declarant or a builder during the original construction of a residence on a Lot.

Section 16. **Subdivision of Lot.** No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the ACC. Declarant, however, hereby expressly reserves the right to replat any Lot or Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations and shall not constitute a violation of Section 2 of this Article VI of the Declaration.

Section 17. **Guns.** The use of firearms in the Community is prohibited. The term "firearms" includes without limitation "B-B" guns, pellet guns, bows and arrows, sling shots and small firearms of all types.

Section 18. **Fences.** No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Lot, unless and until plans and specifications showing at least the nature, kind, shape, height, materials, color, texture and placement of such fence or fencing type barrier have been submitted in writing to, and approved in writing by, the ACC as provided in Article VI, Section 3, above. The ACC may issue guidelines detailing acceptable fence styles, but in no event may an uncoated chain link or barbed wire fence be approved. Notwithstanding anything provided herein to the contrary, the Board shall have the right to erect fencing of any type considered appropriate or desirable by the Board at any location on the Common Property.

Section 19. **Utility Lines.** Except as may be permitted by the ACC, no overhead utility lines, including lines for cable television, shall be permitted within the Community, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

Section 20. **Air-Conditioning Units.** No window air conditioning units may be installed except as may be permitted by the ACC, but in no event shall a window air conditioning unit be installed in any dwelling so as to be visible from the front of any Lot or any adjoining street. Ptac units shall be permitted in the loft of each unit.

Section 21. **Lighting.** Except as may be permitted by the ACC, exterior lighting visible from the street shall not be permitted except for approved lighting as originally installed on a Lot.

Section 22. **Artificial Vegetation, Exterior Sculpture, Exterior Statuary and Similar Items.** No artificial vegetation or plastic animal decorations, such as pink flamingos, etc., shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, bird baths, bird houses, and similar items must be approved by the ACC; but in no event shall be located so as to be visible from the front of any Lot or any adjoining street.

Section 23. **Energy Conservation Equipment.** No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the ACC.

Section 24. **[RESERVED]**

Section 25. **Gardens and Play Equipment.** No vegetable garden, hammock, statuary, or play equipment (including, without limitation, basketball goals) shall be constructed, erected or maintained upon any Lot unless the type and location thereof has been previously approved by the ACC.

Section 26. **Mailboxes.** All mailboxes and mailbox posts shall be of a similar style and color as that installed initially by Declarant or a builder.

Section 27. **Exteriors.** Any change to the exterior color, finish or texture of any improvement located on a Lot, including, without limitation, the dwelling, the roof on any dwelling or any fence, must be approved by the ACC.

Section 28. **Clotheslines.** No exterior clotheslines of any type shall be permitted upon any Lot.

Section 29. **Entry Features.** Owners shall not alter, remove or add improvements to any entry features constructed by Declarant on any Lot, or any part of any easement area associated therewith without the prior written consent of the ACC.

Section 30. **Window Treatments.** No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose. The side of all window treatments which can be seen at any time from the outside of any structure located on a Lot must be architectural off-white or neutral.

Section 31. **Fuel or Water Tanks.** No fuel tanks or water tanks shall be stored or maintained upon any Lot in such a manner as to be visible from any public street or road or from any other Lot, unless used by Declarant, temporarily, in the ordinary course of developing the Community.

Section 32. **Outbuildings and Similar Structures.** No structure of a temporary nature, unless approved in writing by the ACC, shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure may be used as a residence, either temporarily or permanently. However, this Section shall not be construed to prevent Declarant and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Declaration shall be construed to prevent Declarant or any builder from developing, constructing, marketing, or maintaining model homes or speculative housing within the Community.

Section 33. **Erosion Control.** No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of such erosion or siltation. The ACC may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling of such erosion or siltation.

ARTICLE VII **INSURANCE AND CASUALTY LOSSES**

Section 1. **Association Insurance.** If and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U. S. Department of Veterans Affairs ("VA") or the U.S. Department of Housing and Urban Development ("HUD"), or otherwise as determined by the Board of Directors, the Board of Directors or the duly authorized agent of the Association shall have the authority to and shall obtain or cause to be obtained the following insurance:

(a) for all insurable improvements, whether or not located on Common Property, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts;

(b) a public liability policy covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million Dollars (\$1,000,000.00); and

(c) such other insurance necessary to satisfy the requirements of applicable laws or deemed necessary in the sole discretion of the Board.

Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties. All policies shall be written with a company authorized to do business in South Carolina. All policies shall be reviewed annually by one (1) or more qualified persons, at least one (1) of whom must be in the real estate industry and familiar with construction in the county where the Community is located. Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto. The Association's Board of Directors shall make every reasonable effort to secure insurance policies that will provide that no policy may be cancelled, subjected to non-renewal or substantially modified without at least thirty (30) days' prior written notice to the Association.

Section 2. **Individual Insurance.** By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Lot as a specific assessment.

Section 3. **Damage and Destruction — Insured by Association.**

(a) In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the Total Association Vote otherwise agree. If

for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall levy a special assessment against all Owners to cover any such deficiency. Notwithstanding anything provided herein to the contrary, any such specific assessment may be levied by the Board without a vote of the members of the Association. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

Section 4. **Damage and Destruction — Insured by Owners.** The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, and so long as party walls are not altered or disturbed, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board of Directors shall have all enforcement powers specified in Article XII, Section 1 and Section 2 of this Declaration.

Section 5. **Insurance Deductible.** The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

ARTICLE VIII CONDEMNATION

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five percent (75%) of the Total Association Vote shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of Article VII, Section 3 above, applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

ARTICLE IX ANNEXATION AND WITHDRAWAL OF PROPERTY

Section 1. Unilateral Annexation By Declarant.

(a) As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until seven (7) years after the recording of this Declaration to subject all or any portion of additional real property adjacent to the real property described in Exhibit B to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being subjected. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

(b) The rights reserved unto Declarant to subject additional land to the Declaration shall not impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. **Other Annexation.** Subject to the consent of the owner(s) thereof and the consent of Declarant (so long as Declarant owns any property for development and/or sale in the Community or has the right unilaterally to annex additional property to the Community), upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots (other than Lots owned by Declarant so long as the consent of Declarant is required), the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be signed by the President of the Association whose signature shall be attested by the Secretary of the Association, and any such annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

Section 3. **Withdrawal of Property.** Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community.

ARTICLE X
MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

Section 1. **Notices of Action.** An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such

holder, insurer, or guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of Mortgage holders.

Section 2. **No Priority.** No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Section 3. **Notice to Association.** Upon request, each Lot Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

Section 4. **VA/HUD Approval.** As long as Declarant has the right to appoint and remove the directors of the Association, the following actions shall require the prior approval of the VA so long as the VA is guaranteeing any Mortgage in the Community, and HUD so long as HUD is insuring any Mortgage in the Community: annexation of additional property to the Community, except for annexation by Declarant in accordance with Article IX, Section 1 hereof pursuant to a plan of annexation previously approved by the VA and/or HUD as applicable; dedication of Common Property to any public entity; mortgaging of Common Property; mergers and consolidations; dissolution of the Association; and material amendment of the Declaration, the Bylaws, or the Articles of Incorporation of the Association.

Section 5. **Applicability of Article X.** Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or South Carolina law for any of the acts set out in this Article.

Section 6. **Failure of Mortgagee to Respond.** Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

Section 7. **Amendments by Board.** Should the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, HUD or VA subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less

stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

ARTICLE XI EASEMENTS

Section 1. **Easements for Encroachment and Overhang.** There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, tenant, or the Association.

Section 2. **Easements for Use and Enjoyment.**

(a) Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property, if any, which shall be appurtenant to and shall pass with the title to each Lot, subject to the following provisions:

(i) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community (Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community.);

(b) the right of the Association to dedicate or grant licenses, permits or easements over, under and through the Common Property to governmental entities for public purposes; and

(c) the right of the Association to dedicate or transfer all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by the affirmation vote of the Owners of at least two-thirds (2/3) of the Lots (other than Lots of the Declarant so long as the consent of the Declarant is required) and the consent of Declarant (so long as Declarant owns any property for development and/or sale in the Community or has the right unilaterally to annex additional property to the Community).

(d) Any Lot Owner may extend such Owner's right of use and enjoyment granted hereunder to the members of such Owner's family and to such Owner's tenants and social invitees, as applicable,

subject to reasonable regulation by the Board. An Owner who leases such Owner's Lot shall be deemed to have delegated all such rights of the lessee of such Lot.

Section 3. Easements for Utilities and Maintenance. There is hereby reserved to Declarant and the Association blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system, which Declarant or the Association might decide to have installed to serve the Community, and undertaking all of the responsibilities of the Association listed in Article V Section 1, which easements may be for the individual benefit of individual Lot owners. It shall be expressly permissible for the Declarant, the Association, or the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, cables and other equipment related to the providing of such utility or service, and all other matters necessary to undertake the responsibilities of the Association listed in Article V Section 1. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Board shall have the right to grant such easement.

Section 4. Easement for Entry. In addition to the right of the Board to exercise self-help as provided in Article XII, Section 2 hereof, the Board shall have the right, but shall not be obligated, to enter upon any property within the Community for emergency, security, and safety reasons, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall be only during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.

Section 5. Easement for Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of the Association across such portions of the Community, determined in the sole discretion of the Association, as are necessary to allow for the maintenance and repair of the Common Property and to undertake the responsibilities of the Association listed in Article V Section 1. The maintenance and repair shall include without limitation, maintenance, repair and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property, required under Article V. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Lots, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 6. Easement for Entry Features. There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of entry features and similar streetscapes for the Community over and upon each Lot within the Community on which entry features and similar streetscapes have been installed by Declarant. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around such entry features and the right to grade the land under and around such entry features.

Section 7. Easements for Maintenance and Repair of Lots. There shall be reciprocal appurtenant easements between adjacent Lots for the purpose of maintaining or repairing the improvements, including, without limitation, landscaping, located on such Lot. Such easements shall

extend on such Lot as distance of not more than five (5) feet as measured from any point on the common boundary between such Lots to a line perpendicular to such boundary at such point (but such easements shall not extend on, over or across any structures on any such Lot). The easements shall be used only for such period of time as is reasonably necessary in order to complete the needed maintenance or repair. The Owner of the Lot exercising the easement right shall be liable for the prompt repair of any damage to the Lot over which the easement is exercised which is caused by the maintenance or repair work. The damage portions of such Lot shall be restored to substantially the same condition as existed prior to the damage.

Section 8. **Construction and Sale Period Easement.** Notwithstanding any provisions contained in this Declaration, the Bylaws, the Articles of Incorporation of the Association, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration as provided in Article IX terminates and thereafter so long as Declarant owns any property in the Community for development and/or sale, Declarant reserves an easement across all Community property for Declarant and any builder or developer approved by Declarant to maintain and carry on, upon such portion of the Community as Declarant may reasonably deem necessary, such facilities and activities as in the sole opinion of Declarant may be required, convenient, or incidental to Declarant's and such builder's or developer's development, construction, and sales activities related to property described on Exhibit "B" or subjected to this Declaration, including, but without limitation: the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; the right to tie into any portion of the Community with driveways, parking area and walkways; the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to grant easements over, under, in or on the Community, including, without limitation, the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right, in the sole discretion of Declarant, to improve the Common Property; the right to carry on sales and promotional activities in the Community; and the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices. Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices and may also use Common Property improvements, if any, available for use by the Community as a sales office without charge. Rights exercised pursuant to such reserve easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without Declarant's express written consent until Declarant's rights hereunder have terminated as hereinabove provided.

ARTICLE XII GENERAL PROVISIONS

Section 1. **Enforcement.** Each Owner and Occupant shall comply strictly with the Bylaws, the rules and regulations, the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions and restrictions set forth in this Declaration and in the deed to such Owner's Lot, if any. The Board of Directors may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws or the rules and regulations shall be grounds for an action to recover sums due for damages or

injunctive relief, or both maintainable by the Board of Directors, on behalf of the Association, or, in a proper case, by an aggrieved Owner. In any such action for damages or injunctive relief brought by the Association, the Association shall be entitled to recover reasonable attorney's fees actually incurred and court costs incurred by the Association in bringing such action. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions, or design guidelines and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing. The Association shall also have the right to suspend the voting rights of a Lot Owner and the right of an Owner to use the Common Property, if any, for any period during which any assessment against such Owner's Lot which is hereby provided for remains unpaid, and, for a reasonable period of time for an infraction of the Declaration, Bylaws, or rule and regulations.

Section 2. **Self-Help.** In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Community to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

Section 3. **Duration.** The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, so long as, and to the extent that, South Carolina law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision shall be (a) automatically extended (to the extent allowed by applicable law) for successive periods of twenty (20) years, unless a written instrument reflecting disapproval signed by the then Owners of at least two-thirds (2/3) of the Lots to the Declarant (so long as Declarant owns any property for development and/or sale in the Community or has the right unilaterally to annex additional property to the Community) has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended as otherwise provided by law. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. **Amendment.** This Declaration may be amended unilaterally at any time from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser or Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this

Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, so long as Declarant has the right unilaterally to annex additional property to this Declaration as provided in Article IX hereof, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended upon the affirmation vote or written consent, or any combination thereof, of the Owner's of at least two-thirds (2/3) of the Lots (other than Lots of Declarant so long as the consent of Declarant is required) and the consent of Declarant (so long as Declarant owns any property for development and/or sale in the Community or has the right unilaterally to annex additional property to the Community). Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein. No provision of this Declaration which reserves or grants special rights to Declarant shall be amended without Declarant's prior written approval so long as Declarant owns any property for development and/or sale in the Community, or has the right unilaterally to annex additional property to the Community.

Section 5. **Gender and Grammar.** The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

Section 6. **Severability.** Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

Section 7. **Captions.** The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 8. **Perpetuities.** If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 9. **Indemnification.** To the fullest extent allowed by applicable South Carolina law, the Association shall indemnify every officer and director against any all expenses, including, without limitation, attorney's fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such

officers or directors may also be members of the Association) , and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

Section 10. **Books and Records.** This Declaration, the Bylaws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by any member of the Association or by duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Boards shall prescribe.

(a) Rules for Inspection. The Board shall establish reasonable rules with respect to:

- (i) notice to be given to the custodian of the records;
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing copies of documents

(b) Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

Section 11. **Financial Review.** A review of the books and records of the Association shall be made annually in the manner as the Board of Directors may decide; provided, however, after having received the Board's financial statements at the annual meeting, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within ninety (90) days of the date of the request.

Section 12. **Notice of Sale or Lease.** In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of sale or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably request.

Section 13. **Agreements.** Subject to the prior approval of Declarant (so long as Declarant owns any property for development an/or sale in the Community or has the right unilaterally to annex additional property to the Community) all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

Section 14. **Implied Rights.** The Association may exercise any right or privilege given to it expressly by this Declaration, the Bylaws, the Articles of Incorporation of the Association, any use

restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

Section 15. Variances. Notwithstanding anything to the contrary contained herein, the Board of Directors or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

Section 16. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five (75%) of the Total Association Vote. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in Article IV hereof, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by Declarant pursuant to Article XII, Section 4 hereof, or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 17. Security. The Declarant or the Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety in the Community. Notwithstanding the providing of any such measures or taking of any such action by Declarant or the Association, each Owner, for himself or herself and his or her tenants, guests, licensee and invitees, acknowledges and agrees that neither the Declarant nor the Association is a provider of security and shall have no duty to provide security in the Community. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. Neither the Declarant nor the Association shall be held liable for any loss or damage by reason of the failure to provide adequate security or ineffectiveness of security measures undertaken or provided.

IN WITNESS WHEREOF, the undersigned Declarant has hereby caused this instrument to be executed this 12 day of October, 2009.

**BYLAWS
OF
PLEASANT HILL HOMEOWNERS' ASSOCIATION, INC.**

**Article I
Name, Membership, Definitions**

Section 1. Name. The name of the Association shall be PLEASANT HILL HOMEOWNERS' ASSOCIATION, INC. ("Association").

Section 2. Membership. The Association shall have one (1) class of membership, as is more fully set forth in that Declaration of Protective Covenants for Pleasant Hill (such Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

Section 3. Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit.

**Article II
Association: Meetings, Quorum, Voting, Proxies**

Section 1. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

Section 2. First Meeting and Annual Meetings. An annual or special meeting shall be held within one (1) year from the date the Declaration is recorded. Annual meetings shall be set by the Board so as to occur no later than sixty (60) days after the close of the Association's fiscal year.

Section 3. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of the Board of Directors or upon a petition signed by at least twenty-five percent (25%) of the Total Association Vote (the consent of the Declarant shall not be required). The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

Section 4. Notice of Meetings. It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of each Lot (as shown in the Association's records) a notice of each annual or special meeting of the Association stating the time and place where it is to be held, and in the notice of a special meeting, the purpose thereof. If an Owner wishes notice to be given at an address other than his or her Lot, such Owner shall designate by notice in writing to the Secretary such other address. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than ten (10) nor more than thirty (30) days before a meeting.

Section 5. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

Section 6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 7. Voting.

(a) Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it. If only one (1) co-Owner attempts to cast the vote for a Lot, it shall be conclusively presumed that such co-Owner is authorized on behalf of all co-Owners to cast the vote for such Lot. In the event of disagreement between or among co-Owners and an attempt by two (2) or more of them to cast such vote or votes, such Persons shall not be recognized and such vote or votes shall not be counted.

(b) In the event an Owner is a corporation, partnership, trust, or other legal entity not being a natural person or persons, then any natural person who is an officer, director or other designated agent of such corporation, partner of such partnership, beneficiary or other designated agent of such trust or other legal entity shall be eligible to represent such entity or entities in the affairs of the Association. Such person's relationship with the Association shall terminate automatically upon the termination of such person's relationship with the entity or entities which are the Owner, and termination of the person's relationship with the Association will create a vacancy in any elected or appointed position within the Association in which such person may have been serving to be filled by the Board.

(c) No Owner shall be eligible to vote, either in person or by proxy, or to be elected to the Board, if that Owner is shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association or if the Owner has had its voting rights suspended for the infraction of any provision of the Declaration, these Bylaws, or any rule of the Association. If the voting rights of an Owner have been suspended, that Owner shall not be counted as an eligible vote for purposes of establishing a majority or a quorum or for purposes of amending these Bylaws or the Declaration.

Section 8. Proxies. At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of such member's Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of eleven (11) months from the date of the proxy.

Section 9. Quorum. The presence, in person or by proxy, of ten percent (10%) of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 10. Action Without a Formal Meeting. Any action to be taken at a meeting of the members or any action that may be taken at a meeting of the members may be taken without a meeting if one (1) or more consents, in writing, setting forth the action so taken, shall be signed by members holding the voting power required to pass such action at a meeting held on the date that the last consent is

executed and such action is consented to by the Declarant if required. Such action shall be effective upon receipt by the Association of a sufficient number of such consents executed by current members unless a later effective date is specified therein. Each signed consent shall be delivered to the Association and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Section 11. Action by Written Ballot. Any action to be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve such matter other than the election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely written ballot received by the Association may not be revoked without the consent of the Board of Directors. The results of each action by written ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. Except as provided in Section 2 of this Article, the directors must reside in the Community and shall be members or spouses of such members; provided, however, no person and his or her spouse may serve on the Board at the same time.

Section 2. Directors Appointed by Declarant. Declarant shall have the right to appoint or remove any member or members of the Board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the expiration of seven (7) years after the date of the recording of the Declaration, (b) the date on which eighty-five percent (85%) or more of the Lots which may be developed on the real property described in Exhibit "B" of or additional property submitted to the Declaration or shall have been conveyed to Persons who have not purchased such Lots for the purpose of construction of a residence and resale of such Lot and residence, or (c) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Declarant such authority to appoint and remove directors and officers of the Association. The directors selected by the Declarant need not be Owners or residents in the Community.

Section 3. Number of Directors. For as long as the Declarant has the right to appoint or remove any member or members of the Board of Directors, the Board shall consist of as many members as the Declarant shall, from time to time, appoint, subject to the requirements of Article III, Section 2 above. Thereafter, the Board shall consist of three (3) members; provided, however, the Board may, at any time after the meeting at which the Owners elect directors pursuant to Article III, Section 5(a) of these Bylaws, increase the number of Board members to be elected at the next annual meeting of the Association at which Board members are elected to five (5).

Section 4. Nomination of Directors. Elected directors shall be nominated from the floor and may also be nominated by a nominating committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

Section 5. Election and Term of Office. Owner-elected directors shall be elected and hold office as follows:

(a) At the next annual meeting after the Declarant's right to appoint directors and officers terminates (or at a special meeting if one is called for such purpose), Owners shall elect three (3) directors.

(b) At annual meetings of the membership thereafter, directors shall be elected. All eligible members of the Association shall vote on all directors to be elected, and the candidate(s) receiving the most votes shall be elected.

The term of one (1) director shall be fixed at one (1) year, the term of one (1) director shall be fixed at two (2) years, and the term of one (1) director shall be fixed at three (3) years. At the expiration of the initial term of office of each respective Owner-elected member of the Board of Directors, or, if the Board is increased to five (5) members as provided in Section 3 above, a successor and, if applicable, the additional Board members, shall be elected to serve for a term of two (2) years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association.

Section 6. Removal of Directors. At any regular or special meeting of the Association duly called, any one (1) or more of the members of the Board of Directors may be removed, with or without cause, by a majority of the Total Association Vote and a successor may then and there be elected to fill the vacancy thus created. A director whose removal has been proposed by the Owners shall be given at least ten (10) days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting. Additionally, any director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of an assessment for more than thirty (30) days may be removed by a majority vote of the directors at a meeting, a quorum being present. This Section shall not apply to directors appointed by Declarant.

Section 7. Vacancies. Vacancies in the Board of Directors caused by any reason, excluding the removal of a director by vote of the Association, shall be filled by a vote of the majority of the remaining directors, even though less than a quorum, at any meeting of the Board of Directors. Each person so selected shall serve the unexpired portion of the term.

B. Meetings.

Section 8. Organization Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meeting. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the regular schedule shall constitute sufficient notice of such meetings.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when requested by the President or by any two (2) directors. The notice shall specify the time and place of the

meeting and the nature of any special business to be considered. The notice shall be given to each director by one (1) of the following methods: (a) by personal delivery, (b) written notice by first class mail, postage prepaid, (c) by telephone communication, either directly to the director or to a person at the director's home or office who would reasonably be expected to communicate such notice promptly to the director, (d) by telegram, charges prepaid, or (e) by commercial delivery service to such director's home or office. All such notices shall be given or sent to the director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph company shall be given at least forty-eight (48) hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors.

Section 13. Compensation. No director shall receive any compensation from the Association for acting as such. However, any director may be reimbursed for his or her actual expenses incurred in the performance of his or her duties.

Section 14. Open Meetings. All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so-authorized by the Board.

Section 15. Executive Session. The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

Section 16. Action Without A Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if one (1) or more consents, in writing, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records.

Section 17. Telephonic Participation. One (1) or more directors may participate in and vote during any regular or special meeting of the Board by telephone conference call or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time, and those directors so participating shall be present at such meeting. Any such meeting at which a quorum participates shall constitute a regular meeting of the Board.

C. Powers and Duties.

Section 18. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the

Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles of Incorporation of the Association, or these Bylaws directed to be done and exercised exclusively by the members. In addition to the duties imposed by these Bylaws or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to and be responsible for the following, in way of explanation, but not limitation:

Section 19. Management Agent. The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Declarant or an affiliate of the Declarant may be employed as managing agent or manager. The term of any management agreement shall not exceed one (1) year and shall be subject to termination by either party, without cause and without penalty, upon thirty (30) days' written notice.

Section 20. Fining Procedure. The Board shall not impose a fine (a late charge shall not constitute a fine) unless and until the following procedure is followed:

(a) **Notice.** Written notice shall be served upon the violator by first-class or certified mail sent to the last address of the member shown on the Association's records, specifying:

(i) the nature of the violation, the fine to be imposed and the date, not less than fifteen (15) days from the date of the notice, that the fine will take effect;

The minutes of the meeting shall contain a written statement of the results of the hearing. No fine shall be imposed prior to the date that is five (5) days after the date of the hearing.

Article IV Officers

Section 1. Officers. The officers of the Association shall be a President, Secretary, and Treasurer. Any two (2) or more offices may be held by the same person, except the offices of President and Secretary; provided, however, the President and Secretary appointed by the Declarant may be the same person. The President and Treasurer shall be elected from among the members of the Board of Directors. The Board may also elect a Vice President to act in the President's absence and any such Vice President shall have all powers, duties, and responsibilities provided for the President when so acting.

A vacancy in any office arising because of death, resignation, removal, or otherwise may be filled by the Board of Directors for the unexpired portion of the term.
